It's Always Field Trip Season at JSP

Students Reflect on their Winter Visit

Make Magic Happen at JSP

Over 1,000 people each year from across the region choose to experience our magical music events: **Barn Raisin’**, an intimate dining and concert experience in our historic tobacco barn in June, and **Symphonic Stroll**, an interactive evening of art, nature, and music with the Lexington Philharmonic in September.

**YOU can make that magic happen** while promoting your business or honoring your family to over 15,000 people by becoming an **event sponsor**. Depending on your level of support, sponsorship perks include:

- Your name promoted on our social media (12,000+ followers across 3 platforms), e-newsletter (2,500+ people), and website;
- Your name listed on event signs and press releases; and
- Special ticket access to the event!

Visit JSP This Winter

Winter is a uniquely beautiful time to visit the Park: the sculptures stand out sharply against the bare trees and frost-heavy grasses, overwintering birds are easy to spot dancing in and out of the young forest, and the cool temperatures create a sense of calm. Read Centre College students’ reflections on a recent winter field trip to JSP. Plan your wonderful winter visit today.
