

## **WAIT LISTS**

A waiting list will be maintained for children who do not secure placement in our program. Parents are invited to affirm their continued interest in their child's placement and inquire whether or not there is movement on the waiting list.

You may call the Day School Office at 318-408-3601 to place your child on the wait list with no financial obligation. Required information is your name, child's name, date of birth and contact numbers. Wait lists begin on Open Registration Day (February 3rd, 2026, 8:00am) as soon as a class becomes full. If an opening becomes available during that school year, contact will be made with the first on that age's wait list and continue until placement is made. Wait lists DO NOT carry over from year to year.

## **TOURS**

We encourage parents considering First Presbyterian Day School to learn more about the program and observe classes by attending a tour or by visiting the website at [www.fpcshreveport.org](http://www.fpcshreveport.org). There is a video tour link available on our website. Please call 318-408-3601 or email [FPDS@fpcshreveport.com](mailto:FPDS@fpcshreveport.com) with admission questions or to reserve a spot for a particular tour date. Tours are welcome beginning in September through May.
