

## FPDS ENROLLMENT OPTIONS

FPDS serves children from three months to four years of age. Our hours of operation are Mondays, Tuesdays, Wednesdays, Thursdays from 8:30 AM to 2:00 PM.

**The Early Years Program** is designed for children three months to three years. This program includes daily activities which encourage growth in language, social, spiritual, cognitive, and motor development. Our low teacher/child ratio insures personal attention and quality care. Parents have a two-day or four-day option. Two's and Young Three's will also participate in weekly Children's Chapel in late Fall and Spring.

### **The Preschool Program**

Our Preschool Program is highly recognized in our community and is well established. We have been in existence for more than 50 years. This excellent program is designed to encourage children to have fun with their friends, learn new skills, be creative, play and develop their independence! Our Preschoolers also have the wonderful opportunity to attend Chapel every Wednesday.

Our Preschoolers use their artistic creativity by finger painting, coloring, gluing, cutting, molding clay sculptures, creating a mini version of themselves with mixed materials. Our little ones also enjoy music by singing, dancing and participating in other music activities. Besides playing outside on a daily basis, our children participate in Holiday celebrations, breakfast events with parents and grandparents' parades, family dinners and much more! Our preschoolers know how to have fun at FPDS!

Our teachers love to make learning fun at FPDS! The Preschool teachers enjoy teaching their students many skills including letters of the alphabet, colors, shapes, numbers, prewriting skills, days of the week, seasons, holidays and much more. Our Preschool program strives to make learning fun for your child but also

creates an environment that your child will thrive in!
