

## Hear From Our Parents:

*"FPDS has been such a blessing not only for my son, but our entire family. We have seen spiritual, developmental and educational growth in him like no other! The entire staff of FPDS cares, loves, and serves so well – we are forever grateful!"*

*– Lexi Little (K4 parent)*

*"Over the past 5 years, all three of my boys have attended this school and experienced a warm and nurturing learning environment. The teachers and staff instill a love of learning in the children and are intentional with their instruction and care. Enrolling in preschool here has proven an excellent choice for our family each time, and the students excel every year in the small classes as they emerge for elementary school both empowered and prepared."*

*– Anna Rachal (Young 3 parent)*

## OUR MISSION

First Presbyterian Day School offers a preschool enrichment program consistent with developmentally appropriate practices of early childhood education. We provide a healthy, safe and nurturing Christian environment in which teachers and children together may learn to live in a Christ-like way. We value each child's individual need for growth in the areas of social, emotional, physical, spiritual, and cognitive development. We welcome families from all races and faiths.

## CHaPEL

FPDS Chapel and K4 Worship Center is led by Ms. Lynace, the Director of Children and Family Ministry at First Presbyterian. Children in the Two's Class through K4 meet each week for Chapel where they hear bible stories, sing songs, pray, and spend time with God. Chapel is offered once a week for children in Twos-K4 classes – 9:00am for the K3 and K4 classes and 9:30am for the Two's and Young 3's classes. Parents are welcome to join us any week! Each Tuesday morning K4 meets for Worship Center, which is centered around story-telling where we focus on allowing children to wonder and respond to daily Bible stories.

## OUR ENRICHMENT PROGRAM

FPDS has established an innovative and educational Enrichment Program that is unique to our community. Our enrichments are focused on **music and movement, language arts, and spiritual development.** These varied activities engage visual, kinesthetic and audial learners while developing motor skills, language, cognitive ability, self-esteem and creativity. We are so excited about all the fun and creative learning experiences our enrichment program will be sharing with all our FPDS friends!

# REGISTRATION PROCEDURE

1. Early registration for in-house FPDS families and active members of FPC begins on **Tuesday, January 6 through Thursday, January 29, 2026.**
2. Open Registration for Fall 2026 starts at **8:00am on Tuesday, February 3, 2026.**
3. **Registration fees for all ages is \$300 per child. Fees are due at the time of registration and are non-refundable.**
4. Waiting lists begin in each class after full enrollment. There is no obligation to be placed on our wait list. Fees can only be accepted if your child can be placed in a class.
5. Tuition is an annual obligation payable on the 1st of each month. Payments received **after the 5th** of each month must include a late fee of \$25.00.
6. Hardship requests for early withdrawal will be considered at the discretion of the Director. Financial assistance is available.

Monday - Thursday

## Preschool - K3 and K4

Four Days Per Week (8:30am-2:00pm) \$420  
Monday - Thursday

# THE EARLY YEARS PROGRAM

The Early Years Program is designed for children three months to three years. This program includes daily activities which encourage growth in language, social, spiritual, cognitive, and motor development. We believe in nurturing, loving, and providing the best care possible for our little ones. Our low teacher/child ratio ensures personal attention and quality care. Parents have a two-day or four-day option. Twos and Young Threes will also participate in weekly Children's Chapel in late Fall and Spring.

# THE PRESCHOOL PROGRAM

Our Preschool Program is highly recognized in our community and is well established. We have been in existence for over 50 years. This excellent program is designed to encourage children to have fun with their friends, learn new skills, be creative, play, and develop their independence! Our K3-K4 children also have the wonderful opportunity to attend Chapel every Wednesday.

Preschoolers use their artistic creativity by painting, coloring, gluing, cutting, molding clay sculptures and using other mixed materials. Our little ones enjoy music through singing, dancing, and enrichment activities. Besides playing outside on a daily basis, our children participate in holiday celebrations, breakfast events with parents and grandparents, parades, family events and much more! We know how to have fun at FPDS!

*As our little friends grow, we do require that our K3 and K4 students are completely potty trained when they start school. Our Preschool program strives to make learning fun for your child but also creates an environment that your child will thrive in!*
