North View Aviation

# Welcome to North View Aviation

With us, your safety and comfort come first. We are an FAA certified Part 135 air charter, cargo, and ambulance transportation service operator based in Greenville, SC since 2025 under new management. We have several aircraft located in Florida and have a floating fleet. North View Aviation owns and operates aircraft, eliminating complications for the traveler.

We provide exceptional customer service, which focuses on comfort, efficiency, performance, reliability, and safety.

Our experience and dedication to making traveling with us a unique and luxurious experience is what sets us apart from all the other private charter operators in the United States. Our expert pilots will get you to your destination safely and on time. We maintain our aircraft to the highest safety standards because your comfort and safety is our number one priority.

We take pride in our quality customer care, and we are available 24/7. Come fly with us and you'll see how quality flying can really be! Own a jet? Let it work for you. Let us handle all your air charter needs, you won't be disappointed.

- All our aircraft have the necessary permits and paperwork to fly to Canada, Mexico, and Cuba.
- All our aircraft operate under our own Part 135 Certificate #7MYA813N
- We are Wyvern Registered
