Deposit And Payment Terms

A nonrefundable $300 booking deposit and signed contract are required to reserve your event date. The deposit is applied toward your final balance and is nontransferable unless Cake Me Away approves otherwise in writing. Payment may be made by check payable to Cake Me Away or through the online invoice provided. Please contact Cake Me Away for check mailing instructions. Returned checks will incur a $50 fee, and the remaining balance must be paid by credit card. Final details must be approved at least three weeks before your event. A final invoice will then be issued, and final payment is due no later than 14 days before the original contracted wedding date, unless a revised payment date is approved in writing. For bookings made within 14 days of the event, full payment is due upon booking. If payment is not received by the deadline, Cake Me Away may cancel the order after written notice; the cancellation policy will apply.

Price Adjustments

Quotes provided more than three months prior to your event date are subject to change due to uncontrollable factors such as significant increases in supply, ingredient, or fuel costs. Any modifications to the size, design, or ingredients of your order may also impact the final price.

Order Changes

All order details—including quantities, sizes, design, flavors, and delivery arrangements—must be finalized and approved in writing at least three weeks before the event. Changes require written approval by Cake Me Away and may affect pricing. Late changes are subject to availability and may incur additional charges, which will be disclosed before approval. Order reductions after final payment do not qualify for a refund. Three updates to your dessert details sheet are included. A $20 administrative fee will be added for each additional update after the third.

Cancellation Policy

All cancellations must be submitted in writing to CakeMeAwayColorado@gmail.com. The $300 booking deposit is nonrefundable, subject to the separate provisions below if Cake Me Away cannot fulfill the order.

An additional $300 cancellation fee applies to cancellations received on or after the earlier of June 1 of the wedding year, or 90 days before the original contracted wedding date. This fee is due within 10 days of cancellation. For bookings made on or after the applicable cutoff, this policy applies immediately upon booking. The booking deposit and cancellation fee compensate Cake Me Away for reserving capacity, planning, and lost booking opportunities.

If you cancel before submitting final payment, we will keep the $300 booking deposit and any applicable $300 cancellation fee. Payments already made will count toward these charges. Any excess will be refunded within 14 days of written cancellation; any unpaid cancellation fee is due within 10 days.

Once final payment has been submitted, no refunds will be issued for client-requested cancellations or order reductions, even if payment was submitted before the cancellation cutoff. Please carefully review your final dessert details and invoice for accuracy before submitting payment. No additional cancellation fee will be collected if it is already covered by retained payments. This client cancellation policy does not override the provisions below concerning Cake Me Away being unable to fulfill the order.

Postponement requests must be submitted in writing and are subject to availability and written approval. The original date and cancellation cutoff remain in effect unless a written amendment states otherwise. If a new date cannot be agreed upon and the original booking is canceled, the cancellation policy applies. Any approved payment transfer, revised pricing, or revised deadline must be documented in writing.

Design Expectations

Inspiration photos guide the overall design but are not a guarantee of an exact replica. Each cake and dessert is handmade; colors, textures, piping, flowers, and decorative details may vary. Colors may also appear different under venue lighting or in photographs. Cake Me Away will request written approval before making significant design or ingredient substitutions. If a significant substitution cannot be agreed upon, any affected items and related refund or adjustment will be addressed in writing.

Ribbon Decoration & Colors

Please note that ribbon color may darken due to contact with buttercream. Satin ribbon with no wire is recommended. Clients are responsible for providing any ribbon. For specific colors, we recommend providing a physical swatch, as electronic color samples are often inaccurate. Frosting colors may bleed or behave unpredictably; we will do our best to match your vision.

Flowers

We are happy to place fresh flowers on or around your cake. You must provide these through your florist, and it is your responsibility to verify their safety for use with food. Cake Me Away is not liable for any harm caused by pesticides, insects, or other contaminants associated with fresh flowers. We are also not responsible for the quality or availability of flowers provided by your florist.

Upon request, we may source edible flowers for your order, though availability is limited. We will contact you to discuss alternatives if edible flowers are unavailable.

Cake & Dessert Toppers

All toppers must be submitted for review at least one week prior to your event to ensure they are structurally compatible with your dessert design. If a topper appears unsafe upon setup, Cake Me Away reserves the right to exclude it from the cake and place it nearby for optional use.

We are not responsible for damage caused by any non-Cake Me Away employees placing items on the cake or desserts. If damage occurs after delivery, we may, at our discretion and availability, return to the venue to attempt repairs for an additional fee.

Delivery & Setup

All cakes with three or more tiers require delivery by Cake Me Away. Cakes with four or more tiers and long rectangular cakes are subject to additional delivery and setup fees based on design and handling requirements. Delivery fees include transportation and professional setup of the agreed desserts. Additional dessert-table setup or complex installation fees will be itemized in your quote. Airbnb locations, remote properties, and dirt-road access must be disclosed before delivery pricing is confirmed.

Please select delivery when booking. Requests to add delivery after booking are subject to availability. We will do our best to accommodate them; however, because our summer schedule and staffing are planned around confirmed bookings, these requests may require an additional employee and will substantially increase the delivery fee.

Any revised delivery charge must be approved in writing before delivery is confirmed. We will coordinate an arrival window with you or your designated contact. The dessert table, stands, and agreed setup supplies must be ready upon arrival. Because we may have multiple events scheduled, we cannot wait for extended periods. If the table is not ready, we will work with your designated contact to identify a safe setup location. A return trip, if available, incurs a minimum $100 fee.

Clients must provide a sturdy, level table in a cool environment of 70°F or below, away from direct sunlight, heat, and weather exposure. After delivery and setup are complete, the client or designated venue contact is responsible for proper storage, handling, and any movement of the desserts. Cake Me Away is not responsible for damage caused afterward by heat, weather, guests, other vendors, unsafe display conditions, or relocation.

Cake Stand Rental

If rentals are included in your order, the following terms apply. Cake Me Away has a limited number of cake and dessert stands available for rent. Rented items and their rental prices will be listed on your invoice. Rentals must be returned to Cake Me Away no later than two calendar days after the wedding date, during an agreed return window. A $15 late charge per day will accrue beginning on the third calendar day after the wedding date until all rentals are returned. This daily charge applies to the rental order as a whole. If a rental is damaged or not returned, a replacement charge equal to five times that item's rental price will apply. For an unreturned item, daily late charges stop when the replacement charge is assessed and the item is treated as lost. Cake Me Away does not collect rentals from the venue unless separately agreed in writing.

Photography & Marketing

Cake Me Away reserves the right to photograph your wedding desserts for use on our website, social media, and other marketing purposes, without compensation to you. We appreciate receiving professional photos and will credit your photographer when possible.

Allergies

Products may contain or come into contact with common allergens such as wheat, dairy, eggs, nuts, and soy. While we take precautions to prevent cross-contamination, we are not an allergen-free kitchen and cannot guarantee the absence of trace allergens. Cake Me Away is not liable for allergic reactions.

Liability & Force Majeure

Cake Me Away will make reasonable efforts to fulfill this agreement. If extraordinary circumstances beyond either party's reasonable control—including severe weather, road closures, natural disasters, or government restrictions—prevent performance, the affected party must provide prompt written notice. The parties will first discuss a mutually acceptable rescheduling or alternative arrangement; any changes require written agreement. If Cake Me Away cannot provide the contracted services and no alternative is agreed upon, payments for unprovided products and services, including the applicable portion of the booking deposit, will be refunded within 14 days after inability to perform is confirmed. The client cancellation fee will not apply to services Cake Me Away cannot provide. If Cake Me Away remains able to perform but the client cancels for personal reasons, the client cancellation policy applies.

If Cake Me Away cannot fulfill the order because of illness, equipment failure, staffing issues, or another bakery-side emergency, we will notify you promptly and, with your approval, try to arrange a suitable substitute. A substitute vendor or materially different order will not be imposed without your written approval. If no acceptable arrangement is reached, payments for unprovided products and services will be refunded within 14 days, including the applicable portion of the booking deposit, and no cancellation fee will apply.

To the extent permitted by law, liability for an order-related claim is limited to the amount paid for the affected products and services, and excludes incidental or consequential damages. These limits do not apply where prohibited by law, including liability that cannot legally be excluded for gross negligence or willful misconduct.
