General Price List

Serving our community for over 90 years

We invite you to discuss freely and frankly with us questions you have regarding any and all aspects of the funeral, including our services and our fees. Funeral directors serve best when such service is based on a mutual understanding between them and those who seek their services. This should prevail during the arrangements for the funeral and until all the needs and desires of the survivors have been satisfied.

Payment Policy

To lose someone you love can be a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.

It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should, nor less than they would like. What is important is that funeral arrangements satisfy the family's wishes and budget.

Provisions for payment are due at the time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the follow methods of payment:

- Cash – Check
- Visa – MasterCard
- Insurance assignment of a verifiable policy
- Advance payment by forwarding or receiving provider
- Prearrangement

WE ARE NOT ABLE TO ACCEPT AN ESTATE AS FORM OF PAYMENT

General Price List

These prices are effective September 12, 2025 and are subject to change without notice.

*The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy **any** items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.*

Services

Basic Services of Funeral Director and Staff

\$3,200

Our basic service charge includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; coordination of service with cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and inventory expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming

\$835

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Cremation

North Carolina law requires a minimum container to encase the body for cremation.

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering).

The containers we provide are fiberboard and cardboard.

We provide a selection of cremation caskets as well as alternative containers made of fiberboard or cardboard (see costs below).

Direct Cremation

Outer Burial Container Price List

These prices are effective September 12, 2025 and are subject to change without notice.

(subject to 7% sales tax)

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in.

Either a grave liner or a burial vault will satisfy these requirements.
