MEDICARE ANNUAL ENROLLMENT PERIOD OCTOBER 15 - DECEMBER 7

We are changing our Newsletter format. Previously we sent out the Litchfield Gazette 4 times a year by mail. But with the recent changes we have all experienced, email has become a much more viable way to reach our clients. We now email our Gazette-Lite Newsletter 10 times a year. We will continue to mail out our Litchfield Gazette twice a year. The Gazette-Lite Newsletter will keep you updated with information that we believe will be helpful to you. If you have not received our newsletter, please contact us. Thank you

Someone once told me...

Change is inevitable but Growth is Optional With Medicare Plans, changes happen annually. Thankfully, this year most changes will be positive. Because my Dad taught me to work hard and be diligent, we have chosen to Grow! Part of this growth is opening our new office and hiring a full time Client Support Specialist who is also our office manager, Cherie. Many of you have already had the pleasure of speaking with her on the phone or meeting her in person. We encourage you to call for an appointment to **come in for your Annual Medicare Plan Review.** You can either attend one of our many Member Meetings or schedule a one-on-one Medicare Review with me.

In this edition, I would like to review some of the 2023 benefit changes that you will find in a few of the most common Medicare Plans offered in the Inland Empire.

Our Mission is to provide the very Best Service possible to our clients and to meet new friends who are looking for assistance in obtaining a Medicare Plan. It is our Joy to be your Agent/Advisor. We appreciate your referrals to those who are turning 65 or who are new to Medicare. We also provide assistance to those who need help enrolling into Medicare.

Watch out for SCAMMERS!

In today's crazy world the opportunity to take advantage of people is worse than ever. If you are getting calls asking you about your Medicare, please don't give out any information. Legitimate

Medicare agents will not contact you by phone to solicit your business. If you have an agent who assisted in enrolling you into Medicare, they can contact you and hopefully you know who your agent is. Our team at Litchfield insurance care about the safety of our clients. Please call us if you are not sure if the call you are getting is legitimate.
