WE WELCOME YOU TO OUR NEW OFFICE! Mon-Fri 8:30- 4:30 PM - COME SEE US!

Watch out for SCAMMERS!

In today's crazy world the opportunity to take advantage of people is worse than ever. If you are getting calls asking you about your Medicare, please don't give out any information. Legitimate Medicare agents will not contact you by phone to solicit your business. If you have an agent who assisted in enrolling you into Medicare, they can contact you and hopefully you know who your agent is. Our team at Litchfield insurance care about the safety of our clients. Please call us if you are not sure if the call you are getting is legitimate.

KQLH 92.5 FM is a locally powered grassroots radio station from Yucaipa, CA. KQLH airs an eclectic mix of the "Music of America's Mainstreet." From the era of the 40's, 50's, 60, 70's and beyond... From Big Band Music to Classic Rock

DID YOU KNOW?

You can change your doctor anytime during the year, just call the member services phone # on the back of your membership card.

If you move out of the area where your Medicare Plan was written you need to notify us. We will need to change your Plan to one in your New Service Area.

There is a phone app by Medicare that lets you input medical items and services to find out if they are covered by Original Medicare or by your plan.

The app is called "What's Covered" this is the logo
