INVESTIGATION PROCEDURE

Investigations of any reports of bullying, hazing, or similar behavior of a student shall be in accordance with the following:

1. Timing

The school shall begin an investigation of any complaint that is properly reported and that alleges the prohibited conduct the next business or school day after the report is received by the principal or his/her designee. The investigation shall be completed as expeditiously as possible, but not later than ten (10) school days after the date the written report of the incident is submitted to the principal or his/her designee. If additional information is received after the end of the ten-day period, the school principal or his/her designee shall amend all documents and reports required to reflect such information.

2. Scope of Investigation

An investigation shall include documented interviews of the reporter, the alleged victim, the alleged bully or offender, and any witnesses, and shall include obtaining oral, visual or written evidence, including, but not limited to statements, writings, recordings, electronic messages, and photographs. Interviews shall be conducted privately, separately, and confidentially. Unless necessary for the purpose of the investigation, the alleged offender and alleged victim shall not be interviewed together.

The principal or his/her designee shall collect and evaluate all facts using the *Bullying Investigation* form.

3. Parental Notification

Upon receiving a report of bullying, hazing, or similar behavior, the school shall notify the parent or legal guardian of each involved student no later than the following business or school day. Delivery of notice to the parents or legal guardians by an involved student shall **not** constitute the required parental notice. Before any student under the age of eighteen (18) is interviewed, his/her parent or

legal guardian shall be notified by the principal or his/her designee of the allegations made and shall have the opportunity to attend any interviews with their child conducted as part of the investigation.

All meetings with the parents or legal guardians of the alleged victim and the parents or legal guardians of the alleged perpetrator shall be in compliance with the following:

- A. Separate meetings shall be held with the parents or legal guardians of the alleged victim and the parents or legal guardians of the alleged perpetrator.
- B. Parents or legal guardians of the alleged victim and of the alleged perpetrator shall be informed of the potential consequences, penalties, and counseling options.

In any case where a teacher, principal, or other school employee is authorized to require the parent or legal guardian of a student who is under the age of eighteen (18) and not judicially emancipated or emancipated by marriage to attend a conference or meeting regarding the student's behavior and, after notice, the parent, or legal guardian willfully refuses to attend, the principal or his/her designee shall file a complaint, pursuant to Louisiana Children's Code, Article 730 or Article 731, with a court exercising juvenile jurisdiction. The principal may also file a complaint on the grounds the student is a truant or has willfully and repeatedly violated school rules, or any other applicable ground when, in his/her judgment, doing so is in the best interests of the student.

4. Documentation

At the conclusion of an investigation of bullying, hazing, or similar behavior, and after meeting with the parents or legal guardians of each involved student, the principal or his/her designee or School Board shall:

- A. Prepare a written report containing the findings of the investigation, including input from the involved students' parents or legal guardians, and the decision by the principal or his/her designee or school system official. The document shall be placed in the school records of each involved student.
- B. Promptly notify the reporter/complainant of the findings of the investigation and whether remedial action has been taken, if such release of information does not violate the law.
- C. Keep reports/complaints and investigative reports confidential, except where disclosure is required to be made by applicable federal laws, rules, or regulations or by state law.

- D. Maintain reports/complaints and investigative reports for three (3) years.
- E. As applicable, provide a copy of any reports and investigative documents to the School Board for disciplinary measures, or to the Louisiana Department of Education, as necessary.
- F. As applicable, provide a copy of any reports and investigative documents to the appropriate law enforcement officials.

During the pendency of an investigation, the school district may take immediate steps, at its discretion, to protect the alleged victim, students, teachers, administrators or other school personnel pending completion of the investigation.

Handling Evidence

Whenever an employee/administrator receives notice of a bullying or hazing, or similar behavior, any physical evidence of the act/communication shall be secured in the building administrator's office with as little physical contact as possible. If the act/communication is in the form of graffiti, the area shall be sealed off by the building administrator. Photographs shall be taken as soon as possible. Student/public exposure shall be as minimal as possible. Graffiti shall not be removed until law enforcement has properly examined the area.

APPEAL

If the school principal or his/her designee does not take timely and effective action in any bullying incident, the student, parent or legal guardian, or school employee may report, in writing, the incident to the Superintendent or designee. The Superintendent or designee shall begin an investigation of any properly reported complaint that alleges prohibited conduct the next business day during which school is in session after the report is received by the Superintendent or designee.

If the Superintendent or designee does not take timely and effective action, the student, parent or legal guardian, or other school employee may report any bullying incident to the Louisiana Department of Education.

DISCIPLINARY ACTION

Once a report has been received at a school, and a school principal or his/her designee has determined that an act of bullying, hazing, or similar behavior has occurred, and after having met with the parent or legal guardian of the student involved, the principal or his/her designee, or applicable school official shall take prompt and appropriate disciplinary action against the student, and report criminal conduct to law enforcement. Counseling and/or other interventions may also be recommended.

Students may be disciplined for off-campus bullying, hazing, or similar behavior the same

as if the improper conduct occurred on campus, if the actions of the offender substantially interfere with the education opportunities or educational programs of the student victim and/or adversely affects the ability of the student victim to participate in or benefit from the school's education programs or activities.

PARENTAL RELIEF

If a parent, legal guardian, teacher, or other school official has made four (4) or more reports of separate instances of bullying, and no investigation pursuant to state law or this policy has occurred, the parent or legal guardian of the alleged victim may request that the student be transferred to another school operated by the School Board.

Such request shall be filed with the Superintendent. Upon receipt of the request to transfer the student to another school, the School Board shall make a seat available at another school under its jurisdiction within ten (10) school days of the parent or legal guardian's request for a transfer. If the School Board has no other school under its jurisdiction serving the grade level of the alleged victim, within fifteen (15) school days of receiving the request, the Superintendent shall:

1. Inform the student and his/her parent or legal guardian and facilitate the student's enrollment in a statewide virtual school.
2. Offer the student a placement in a full-time virtual program or virtual school under the School Board's jurisdiction.
3. Enter into a memorandum of understanding with the Superintendent or director of another governing authority to secure a placement and provide for the transfer of the student to a school serving the grade level of the student, in accordance with statutory provisions.

If no seat or other placement is made available within thirty (30) calendar days of the receipt of the request by the Superintendent, the parent or legal guardian may request a hearing with the School Board, which shall be public or private at the option of the parent or legal guardian. The School Board shall grant the hearing at the next scheduled meeting or within sixty (60) calendar days, whichever is sooner.

At the end of any school year, the parent or legal guardian may make a request to the School Board to transfer the student back to the original school. The School Board shall make a seat available at the original school that the student attended. No other schools shall qualify for transfer under this provision.

FAILURE TO ACT

Any teacher, counselor, bus operator, administrator, or other school employee, whether full- or part-time, who witnesses bullying or who receives a report of bullying from an alleged victim, and who fails to report the incident to a school official shall be investigated

by the Superintendent or designee. Upon finding a reasonable expectation that the individual failed to act, the Superintendent shall suspend the individual without pay. The length of the suspension shall be determined by the Superintendent based on the severity of the bullying inflicted on the victim. The School Board shall report each finding of a failure to report and the length of suspension issued to each employee who failed to report to the State Department of Education.

Any school administrator or official who fails to notify a parent or legal guardian of a report of bullying, timely investigate a report of bullying, take prompt and appropriate disciplinary action against a student that was determined to have engaged in bullying, or report criminal conduct to the appropriate law enforcement official shall be investigated by the Superintendent. Upon finding a reasonable expectation that the individual failed to act, the Superintendent shall suspend the individual without pay. The length of the suspension shall be determined by the Superintendent based on the severity of the bullying inflicted on the victim. The School Board shall report each finding of a failure to report bullying and the length of suspension issued to the employee who failed to report to the State Department of Education. The report shall be submitted by August first annually.

TRAINING

~~The School Board shall provide a minimum of one (1) hour of training for all new employees.~~

~~The *Bullying* policy for students must be reviewed annually by all employees.~~

RETALIATION

Retaliation against any person who reports bullying, hazing, or similar behavior in good faith, who is thought to have reported such conduct, who files a complaint, or who otherwise participates in an investigation or inquiry concerning allegations of bullying, hazing, or similar behavior is prohibited conduct and subject to disciplinary action.
