Dyslexia Core Assessment Financial Support Available for Families

Notice to Parents, Guardians, Families, and Friends of Morehouse Parish Schools

Dear Parents, Guardians, Families, and Friends of Morehouse Parish Schools,

Morehouse Parish Schools would like to make our families aware of a valuable resource available through the Louisiana Department of Education (LDOE).

The **Louisiana Dyslexia Core Assessment Support Program** provides financial assistance to eligible families seeking a dyslexia core assessment for a child who has been identified as **at risk for dyslexia** through school screening. Qualified families may be eligible to receive **up to \$500 per student, per year** to help offset the cost of an approved dyslexia assessment.

We encourage families who may benefit from this opportunity to review the program information and application requirements by visiting the Louisiana Department of Education's website:

 [Louisiana Dyslexia Core Assessment Support Program](#)

The website provides details regarding eligibility requirements, approved providers, application procedures, and reimbursement information. Families can also access the application portal through the site.

Please note that this information is being shared as a resource for families. If you have questions regarding this program or need assistance, please feel free to contact me.

Thank you for your continued partnership in supporting the success of all students.

Sincerely,

Tara D. Ferguson, M.Ed.

Special Education Supervisor, Morehouse Parish Schools
