

Dear Families,

I would like to take a moment to introduce myself as the Special Education Supervisor for Morehouse Parish Schools. My name is **Tara D. Ferguson, M.Ed.**, and I am honored to serve our students, families, and staff in this role during this 2026-2027 school year. As the parent or guardian of a student who receives special education services, I want you to know that we are excited to partner with you in supporting your child's success.

At Morehouse Parish Schools, the Special Education Department is committed to working collaboratively with parents, teachers, administrators, and community partners to make student-centered decisions that promote academic achievement and personal growth. We believe that all students can learn and thrive when provided with appropriate support, high expectations, and meaningful opportunities. Our mission is to empower students with disabilities to become knowledgeable, skilled, confident, and productive citizens who are prepared for success in an ever-changing world.

The Special Education Department is dedicated to supporting students and fostering strong relationships with families throughout the year. We will provide multiple opportunities for family engagement through email communication, phone conferences, in-person meetings, parent workshops, advisory committees, surveys, and other collaborative activities. As the school year progresses, additional information regarding programs, services, and upcoming events will be shared.

I look forward to meeting you, working together, and getting to know your student. Please do not hesitate to contact me if you have questions or need assistance. Thank you for allowing us the opportunity to partner with your family in supporting your child's educational journey.

In Solidarity,

Tara D. Ferguson, M.Ed.

Special Education Supervisor
