Volunteer's Report

Aug #2
2023

Vols: (Aug 28th)

Ken Bellman, Pete Tanner, Terry Hughes, Pete Southby, Bob Preston, Arthur Kelly and Dave Byrne. Apology from **Don** (not feeling the best. A bad round?)

Team took care of some timber on the **14th, 13th** and then on to attend to a special request to tidy up '**Stuies Garden**'.

The 14th:

Bob (surveying) & **Arthur** attending to a large dead-one. Lots of open space here.

Bob, Ken, Dave, Pete & Terry. Is that a new green being prepared in the background. Course Super **Justin Bradbury** says it will be some months before its ready for play. **Ken** passed on a good tip for temporary play, just take 50 metres off each distance marker and you'll be close to yardage (old golfing term to save confusion!).

A good shot showing how dead and dry some old trees are.

The 13th:

3 golfers & the team. Quite a barren hard ground area and popular with the short hitters! Wonder if the club is thinking of knocking out a line of trees here and extending the fairway? Wouldn't that be nice!!??

Stuies Garden:

Dave & Ken consulting. Pete & Terry loading.

Club Professional **Stuie** auditing, **Ken** on shovel & a free plug for long-time sponsor/member **Wayne Eagles, MY Property Consultants**.

Team pic: **Ken, Bob, Terry, Pete & Dave**. Shot had a slight delay whilst **Bob** loaded his shovel.!

All in all, a fabulous mornings' work.

Arthur has plans for this garden and others, including the garden LHS as you approach the **1st tee**. See if we can get some nice colours in.

And a special mention to **Greg Matheson** who eloquently penned a request for volunteer applicants in recent e-news.

No takers yet, but our door remains open.

Volunteer's Trophy: - "Studley Park – Order of the Shovel – Vos Estis Sal Terrae"

Ken Bellman. Spends many Mondays as well as team vol days working around the course.

Pete Tanner. Drove the tractor in admirable fashion with **Don** on leave.

Cheers, Pete Tanner. VCO, OOTS. (Next vol day: Sept 18th)
