October: Respect Life Month

Tools for Educating Youth

Young people are facing massive pressure from social media, influential adults, and their peers, to resist Catholic Church teaching on abortion. Unless they understand ‘why’ they are pro-life, they will crumble like a house of cards.

Easy to get resources help strengthen Catholic youth to hold their faith’s values. We need to be vigilant. Ten states have passed abortion laws up to birth, and the creep to euthanasia is well past the camel’s nose. Medical Aid in Dying (also known as physician-assisted death or suicide) is legal in 14 states and Washington, D.C.

Age-appropriate learning tools are available to share with students including, life size fetal models with age-appropriate materials to give-away. Call St. Mark Pro-Life Committee member, Pam Rucinski, to access those materials. 715-212-6241.

“Only with prayer—prayer that storms Heaven for justice and mercy, prayer that cleanses our hearts and our souls will the culture of death that surrounds us today be replaced with a culture of life,” Diocese of La Crosse.

We are grateful for their kindness, hard work, and willingness to help our parish.
