From the Diocese

DIOCESE OF LA CROSSE GUIDELINES FOR REPORTING INSTANCES OF CHILD ABUSE: The Diocese of La Crosse, through its policies and procedures, seeks to provide a prompt, appropriate and compassionate response to reporters of sexual abuse of a child by any diocesan agent (bishop, priest, deacon, employee, religious, vendor or volunteer). Anyone wishing to make a report of an allegation of sexual abuse should send that report to Mrs. Teresa Brown, Complaint Intake Agent, at the Diocese of La Crosse, P.O. Box 4004, La Crosse, WI 54602-4004. Alternatively, you can contact Mrs. Brown at 608.791.0179 or intakeagent@diolc.org. The reporting form is available through the Diocese of La Crosse Office of Safe Environment or on the diocesan website at: diolc.org/safe-environment/reporting. Individuals are also encouraged to take their reports directly to civil authorities. Copies of the diocesan policy are available through your local Parish and on the diocesan website. If you have any questions about the Diocese of La Crosse and the implementation of the *Charter for the Protection of Children and Young People*, please contact Teresa Brown, Diocese of La Crosse, at 608.791.2679 or tbrown@diolc.org.

Help for End-of-Life Healthcare and Funeral Questions: Last fall, Wisconsin's bishops released the 4th edition of their pastoral letter on end of life decisions, *Now and at the Hour of Our Death*. The letter provides guidance on many aspects of end-of-life planning and decisions, and it can be accessed at wisconsincatholic.org/parish-resources/endoflife/, or by scanning the QR code to the right. For questions related to the moral principles for end of life decisions, you may contact Christopher Ruff in the Office for Ministries and Social Concerns (cruff@diolc.org).

THE MONTH OF THE PRECIOUS BLOOD OF JESUS

The month of July is dedicated to the Precious Blood of Jesus. The Catholic Church dedicates each month of the year to certain devotions.

The feast of the Precious Blood of our Lord was instituted in 1849 by Pope Pius IX. The devotion is as old as Christianity.

The Blood of Christ refers to the physical blood shed by Jesus Christ primarily on the Cross, and the salvation which Christianity teaches was accomplished thereby. It can also refer to the sacramental blood (wine) present in the Eucharist or Lord's Supper.

The Church makes this dedication because it is important for us to contemplate the mystery of the Eucharist, which contains the life blood of our faith and the Church.

Prayer for the True Presence

Jesus,

What a gift we have in your True Presence: the assurance of your friendship, your company, your grace, your love. Increase our thirst for you as you, also, desire to draw closer to us. Amen.

Feast of St. Benedict

Have you ever wanted to change the world? 5th century Europe was a dark place. The Roman Empire had fallen, and barbarian tribes were picking over the scraps of what remained. Faith hung on, but there was no consistent, coherent Christian culture in the world around. Young Benedict began his life with education and privilege but became disillusioned by a life pursuing material success. He withdrew to a monastery and spent much time in solitude. He began attracting followers, whom he organized over time into 12 monasteries, with a 13th established to train young monks. He wrote a rule of life including basic principles for living as Christ. His monks took three vows: conversion to Christ, obedience to the local abbot, and stability to remain with the community. Benedictine monasteries became lights in the darkness, secure centers of Christian culture enlivening the faithful beyond their walls. When the world around us seems complicated and contrary to the Gospel, how will you be a light?
