

Happy Winter from Indian Opening Acres!

First, we would like to **thank all of our loyal vendors** for your support during the 2025 show season. We are *excited* to begin preparing for the **June and August 2026 Bouckville Shows!**

Enclosed, please find our June and August 2026 contracts. Set-up dates, times, show dates, and tent information are listed below as well as on the contracts.

The **2026 June Show** will take place from **Friday, June 5 to Sunday, June 7, 2026**. Set-up can begin on Thursday, June 4 as early as 7:00 a.m.

The **2026 August Show** will take place from **Sunday, August 9 to Saturday, August 15, 2026**. We spoke with many of you last show season about the arrangement of these dates. Please know that these dates were set and arranged a couple of years ago, and there is ongoing discussion among showfield owners in the association about whether this arrangement is ideal. Many of you know that we feel it is not the best schedule for vendors, dealers, and buyers, and we will continue to raise these concerns at association meetings.

We will allow set-up for the August show to begin on Friday, August 7, and no one will be expected to vacate their space prior to Sunday, August 16. This ensures there is no real change in vendor dates from prior years.

We will send another letter and be in contact with vendors as the show season nears to provide additional reminders, but please keep in mind:

- Vendors are required by New York State to have a Tax ID number. For information on applying for a NYS Tax ID, please contact 1-800-972-1233 or visit www.tax.ny.gov.
- If you do not plan to attend the 2026 shows, please contact us as soon as possible as a courtesy so we can best accommodate all participants.
- Space prices for 2026 have increased by \$10 per space, as discussed at the 2025 shows.

June Show: 20' x 40' spaces – \$75
August Show: 20' x 20' spaces – \$135

Full payment for spaces is due by April 1 for the June Show and by May 1 for the August Show to secure your space.

Tent information is on the back of this page. Last year, we had great success as a field complying with local codes and NYS guidelines regarding tents—let's hope for the same this season.

We will continue to use Morris Tent Company as our tent provider. Vendors are also welcome to bring their own tents. More tent information can be found on the back of this page.

Please **feel free to call or text** if you have any questions. Contact information is below. **Thank you again for your continued support!**

2026 Tent Information

We will continue to use **Morris Tent Company** as our tent provider. **Morris no longer accepts orders directly from vendors.** If you want to rent a tent or tables for either show, please send a **check for the full amount**, made payable to **Merkle's Antiques and Collectibles**. **We will not place orders until we receive full payment.**

All tents are ordered white with white side curtains, but as many of you know this is often difficult to obtain - the earlier you order, the harder I will fight to ensure you receive a white tent with white side curtains. With very few exceptions, I have already told Morris that I would prefer every tent on the field to be delivered as white for 2026.

Tents are centered on your space unless you request otherwise. Please contact us **by phone** with these special requests so we can ensure we fulfill them! If you plan to bring your own tent, please inform us by phone with the size and style so that we can confirm it will work for your space.

Tent prices increase each year, but unfortunately, we have no control over this change. *Remember*, smaller tents can be ordered for your size space if you choose. I am available to answer any questions regarding this if you are unsure which size to select.
