Greetings,

Youth Empowerment Services, (Y.E.S.) is sponsoring our 2026 Worth Beyond Measure Mentoring Program for middle and high school girls in the Tri County of Berkeley, Charleston and Dorchester Counties of South Carolina. We anticipate serving 50 girls in the 7-week program. A summer program flier is attached.

Beyond the summer program, each girl will be invited to participate in **our year-round** mentoring program which will include college tours, motivational sessions on healthy relationships and effective communication, enhancing mental health, educational, cultural and fun field trips and community-service opportunities.

**Justification:** Statistics have shown that mentoring is significantly powerful and empowering for youth and has been instrumental in saving lives and in placing youth on track to successful and productive futures.

**Program Purpose:** The Worth Beyond Measure Mentoring program provides a safe, engaging, nurturing, educational and fun environment for middle and high school girls from underserved and low-income communities, group homes and alternative schools for youth who are hard to reach in the traditional classroom. Our mentors are passionate, intentional and consistent, and our partners provide educational curricula, resources and motivation that are relevant, thought-provoking and life-changing for our youth to have hope and vision for a productive life. The sessions are specifically designed to empower girls with strategies and resources to help them make wise decisions, enhancing their mental, social, spiritual, physical, and emotional well-being. Our youth not only learn to become productions citizens, but several actually return to Y.E.S. as volunteers.

**Our Challenge:** Like many other non-profits, Y.E.S. is being impacted by the shifts in our economy as well as the disruption to funding streams on which we depend.

**How Can You Help?** We are reaching out to ask for your help to leverage the cost of offering our summer programs and year-round activities to girls. Please see the attached Sponsorship Form and indicate the number of girls you can sponsor and/or your level of contribution to our programs. Your tax-deductible donation to this worthwhile program will empower girls in our community. You may donate directly on our website at: [www.yescouncil.org](http://www.yescouncil.org) or you may mail your donation to Y.E.S., P.O. Box 41784, North Charleston, SC 29423. You may also donate via Cash App \$yescouncil or Venmo @yescouncil.

Please contact me if you have questions.

I look forward to hearing from you.

Sincerely,

Roslin Fields
