Attention: Parents /Guardians,

Per the Department of Children and Families ordinance#2014-28, effective 01/01/2015, children in childcare centers are required to wear appropriate shoes(closed shoes) and clothing and have a minimum of 40 minutes of combined indoor and outdoor physical activity for every 3.5 hours in care, excluding quiet and nap time.

To ensure compliance New Life will continue to provide the opportunity for one (1) hour of active outdoor play to include but not limited to; running, hopping, skipping with jump ropes, use of hula hoops, catching and throwing of balls. Opportunity for indoor play will also be facilitated. In the event that the weather does not allow for outdoor play, children will engage in planned indoor physical activities.

I understand that my child will be given opportunity to participate in the activities mentioned above.
