Dear Esteemed Colleagues and Partners,

As Chairman of the 40 & Under Funeral Directors of the National Funeral Directors & Morticians Association, Inc., it is with great anticipation and gratitude that I announce our upcoming 12th Annual Leadership & Enrichment Summit, scheduled to take place in Tampa, Florida from February 15th–17th, 2026.

This year's summit holds a special place in my heart — not only because of the meaningful growth we've experienced together as a association, but also because Florida is my home state. There could be no more fitting location to mark the close of my tenure as Chairman than in the place that shaped my values, my journey, and my calling to serve. Over the past four years, it has been an extreme honor to lead, mentor, and elevate young professionals in our beloved funeral service industry. I remain inspired by the excellence, compassion, and innovation this division continues to embody.

Now, as we prepare to gather in Tampa for what promises to be a dynamic, transformative summit, we need your help to ensure this event reaches its fullest potential. We are currently seeking sponsors and vendors who share our commitment to leadership development, professional enrichment, and the cultivation of community within funeral service. Your support is essential in helping us provide the resources, programming, and experiences that our attendees deserve.

Whether you've partnered with us before or are exploring this opportunity for the first time, we welcome your involvement and look forward to building something memorable together.

Should you have questions or require additional information, please don't hesitate to reach out. Let's make this year's summit a celebration of purpose, legacy, and collaboration.

With sincere appreciation,

Steven G. Hill, Jr., CFSP, CFSGM
40 & Under Chairman
