Almighty and eternal God, you gather the scattered sheep and watch over those you have gathered.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

By Colleen Jurkiewicz Dorman

Mini reflection: John the Baptist recognizes Jesus when he sees him, though there is nothing extraordinary-looking about him. This is how Jesus comes to us today: veiled in the ordinary. He is in the people who are easiest to miss, the easiest to ignore, the easiest from whom it is to turn away. ©LPI

**+ A Blessing of the Throats will be offered at
Mass on Sunday, February 1st**

Devotions, Explained!

St. Blaise Blessing of the Throat: Perhaps it's an example of divine providence that the feast of St. Blaise falls on Feb. 3 – right in the middle of cold and flu season! This fourth-century Armenian saint was a bishop and martyr and is venerated as the patron of those who suffer from illnesses of the throat.

On his feast day, Catholics traditionally receive a blessing of the throat. This blessing is administered by a priest, deacon or a lay minister who follows the rites and prayers designated for a layperson. During the blessing, the minister takes two candles that were blessed on the feast of the Presentation and makes a cross in front of the throat, saying "Through the intercession of Saint Blaise, bishop and martyr, may God deliver you from every disease of the throat and from every other illness." A priest or deacon will then make the sign of the cross.

***Please read the following letter regarding the Spring Fling from
St. Matthew's Religious Ed:***

Dear Parishioners of St. Matthew's and mission parishes:

The purpose of this letter is to provide notification that the Religious Education Catechetical Commission has determined that it will no longer host the Middle School Spring Fling dance. The purpose of the dance has been to give middle school students the opportunity to dress up, and to enjoy and build friendship and community with others their age. This annual lock-in event has grown in popularity amongst local teens, as well as those in the surrounding communities.

It is our hope that another group or organization will choose to host it, since it is hugely successful. Middle school students look forward to it each year and the numbers of students in attendance are increasing. (last year's dance was attended by 372 students). Among the many reasons why we are discontinuing to host it is the reduced numbers of students in St. Matthew's middle school program. We do not have enough participants and volunteers that are needed to do the work necessary to host the dance. Also, the capacity of the parish center is not large enough to comfortably host the large number of students in attendance.

If another organization in the community desires to take over and host this event, our team is willing to lend its knowledge and expertise to them to help with a smooth, successful transition. They can contact Mrs. Mary Quiroz at the parish center 406-433-2510 or email at mquiroz@stmattsidney.com.

It has been a joy to watch the girls and boys blossom into ladies and gentlemen during their middle school years.

We're truly grateful for the many volunteers who have generously supported us through the years with their time talents and resources. Please accept our sincere thank you.

Cordially,

Mary Quiroz/ St. Matthew's DRE

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

January 18, 2026 2nd Sunday in Ordinary Time John 1:29-34

It's common to hear belief in Jesus and the Church mocked as blind faith and credulity. But in reality, it is deeply human and rational. Think about it: we rely on the testimony of others constantly. I trust chemists who certify the safety of toothpaste and cleaning products. I trust engineers when I use a microwave or drive over a bridge. Why? Because they have studied and seen what I have not, and their testimony proves itself in daily life. That kind of trust is not irrational; it is how human

knowledge works. In today's Gospel, John the Baptist declares: **"Now I have seen and testified that he is the Son of God" (John 1:34)**. That is the language of an eyewitness. It invites us into a very human act: trusting someone who has directly encountered something — or Someone — we have not yet fully seen ourselves. The Church's faith is built on this kind of reliable sight-based testimony. The Apostles did not make abstract claims. They saw, followed, suffered for, and proclaimed Jesus Christ. Over centuries, their witness — carried in Scripture, in the lives of the saints, and in the sacramental life of the Church — has proven dependable. We come to know its truth by assenting to it, by living and studying it, praying with it, trusting it. Faith in Christ is not a childish leap into the dark. It is a step into the light of testimony that proves itself over time.

— Father John Muir
