God, the Artist

Little Philip was walking home in the rain with his mother following Sunday Mass. It finally stopped raining as they rounded the corner, where to their surprise and delight appeared a vivid double rainbow in the sky. "Doesn't it look like an artist painted this rainbow?" his mother exclaimed. "I bet God painted this just for you!" "Yes," replied Philip, "God did it, and he did it left-handed." Confused, his mother asked him, "What makes you say God did this with his left hand?" "Well," said Philip, "we learned in Sunday school that Jesus sits on God's right hand."
