August 2nd Movie in the Park, CGFP to set up the table. We will let the stragglers register if interested.
Send flyers to schools to share, banners and yard signs
October 18th Town Square -need people to be there, it's the day before spring registrations open and can get the word out.
States was a good time for 8u and 12u. We did not have enough pins and they were denied on trading pins because they weren't cool enough.
Have a $1500 budget for all star pins, then we have the teams pay for the pins over what we give.
Stacey is donating the rush pins.
