

MANDARIN STONE

EDITION 11

EDITION 11

At Mandarin Stone, we've always believed that great design is a balance between beauty and practicality, creativity and longevity.

This season, we're embracing warmth and texture through a palette that feels both current and timeless.

Our latest collection unites the natural beauty of stone and marble with the innovation of porcelain and ceramic. Rich, earthy tones and tactile finishes invite individuality, allowing you to combine materials and experiment with layout to create spaces that are truly your own.

As we all look to make more considered choices, stone and tile offer enduring appeal. Crafted from natural materials and designed to last, they bring a sense of permanence and integrity to every interior.

I hope this look book inspires you to explore the endless possibilities of surface design; to embrace warmth, texture and creativity, and to create spaces that feel uniquely yours while standing the test of time.

BATHROOM FOCUS

Beyond Basics

Explore Mandarin Stone's latest bathroom inspiration, showcasing a mix of styles and tile combinations that celebrate individuality and timeless design.

OPPOSITE Tacta Red Matt Linear Flute Stone Effect Porcelain

1 Green Envy

An elegant study in tone and texture, this bathroom pairs our Verde Di Scacchi marble flooring with matching Verde marble walls for a richly layered, designed look. The result is a space that feels both serene and sophisticated, where natural stone takes centre stage.

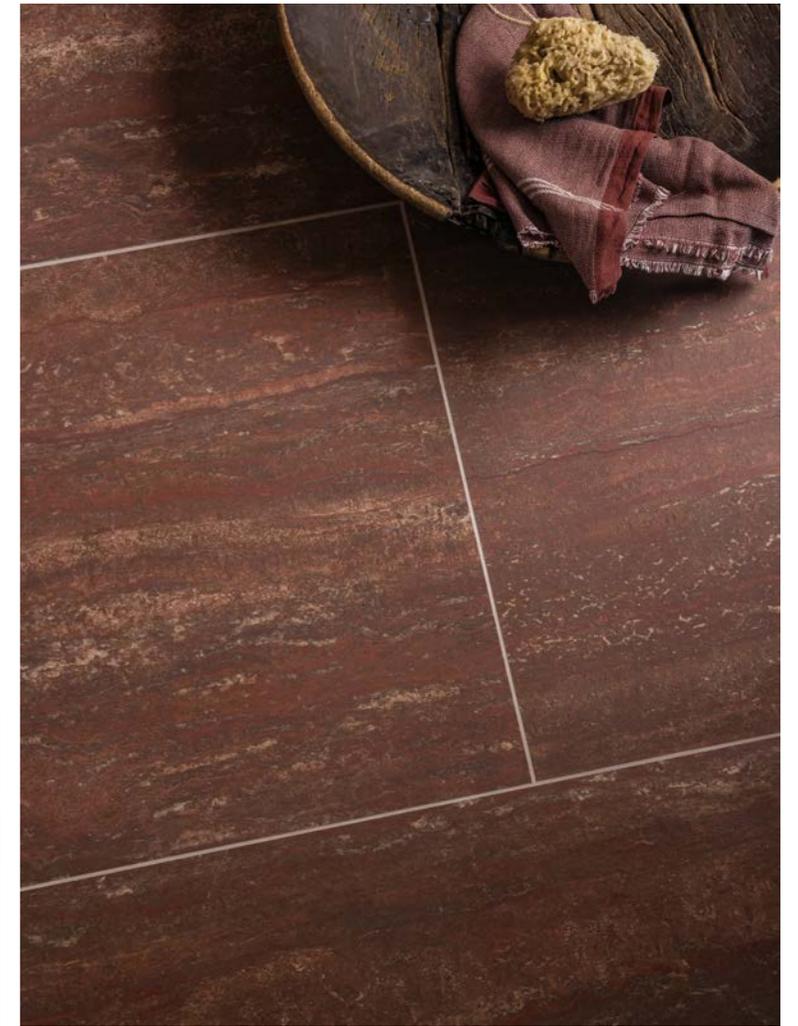

Wall Verde Tumbled Marble
Floor Verde Di Scacchi Tumbled Marble

2 Seeing Red

A bold yet refined take on the red trend, this en-suite wet room pairs Tacta Red Linear Decor walls with Tacta Red Linear flooring. The subtle linear texture and rich tone bring warmth and depth, while the porcelain large-format design delivers the look of stone with effortless practicality.
