

Technical drawing of a rectangular frame with dimensions and assembly points. The drawing shows a top-down view of the frame with various dimensions and assembly points indicated by dashed lines and arrows.

Dimensions:

- Overall width: $129 \frac{5}{8}$
- Overall height: 92
- Left side height (top section): $9 \frac{1}{2}$
- Left side height (bottom section): 19
- Right side height (top section): $11 \frac{15}{16}$
- Right side height (bottom section): 34
- Bottom width (left section): $18 \frac{7}{16}$
- Bottom width (right section): $46 \frac{31}{32}$

Assembly points are indicated by dashed lines and arrows, showing the location of the frame's components.
