RE: Dealer Manual Updates

Dear HydraLine Dealer:

Attached are (9) updated Hydra Bed application sheets for insertion in your HydraLine Dealer Manual.

In addition, you will find an instruction guide for the DMK59A-I8. This is for 2013 & 2014 dodge 6.7L with remote mounted power steering reservoir.

Also attached is the updated feeder display/sensor trouble shooting flow charts which now have pictures.

Sincerely,

Heath Ploeger
