Arm Bed

The arm bed allows for the hauling of two bales at the same time. Large grip ranges from 92" to 36" with spinners and 110 to 40" without spinners, on a single wheel bed. The free-floating arms allow for easy unrolling of bales even on rough, rolling terrain. Sequenced arms allow both arms to move simultaneously.

Standard Features Include:

- Heavy duty bumper hitch
- 3 x 2 3/16" wall tubing headache rack with built-in sunshade
- Two weather resistant underbody tool boxes
- Choice of Drop-N-Locks or recessed gooseneck hitch
- Sequenced arms with spinners
- Stop, tail, turn and backup lights
- In-cab controlled, 12-volt hydraulic unit

Optional Features:

- Receiver hitch
- Hydraulic outlets
- Engine or PTO hydraulics
- Cross bed tool box
- Stop, tail and turn lights in headache rack
