## PREMIER HAY-BEDS

**THE BEST BUILT AND BEST LOOKING HAY-BEDS  
IN AMERICA!**

*"There is no  
economy in  
buying cheap  
equipment. Buy  
only the best"*

*- Knute Rockne*

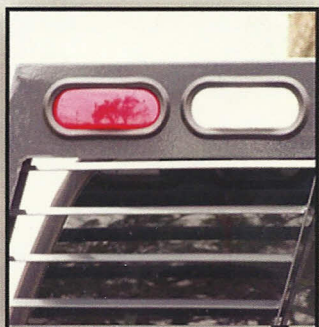

*"Farm and ranch  
management requires  
year-round hay handling,  
moving, and feeding  
responsibilities. A  
Premier Hay-Bed from  
HosWel enables you to  
more efficiently and more  
comfortably manage  
those responsibilities."*

HosWel recognizes that innovative design, quality manufacturing, distinctive styling, and rugged durability are things that are important to you. Unlike other hydraulic flatbeds on the market, the HosWel Premier Hay-Bed not only provides superior performance in your farm or ranch environment; it will nicely complement the appearance of your pickup truck. Visit with your area dealer today to find out more about the best built and best looking hay-beds in America!
