## New Round Bale Unroller

**Can unroll 4' or 5' wide, 6' tall bales weighing up to 1 ton**

For use with trucks equipped with flatbeds and hydraulic powered bale spikes.

Universal adjustment for most spike-beds.

All hardware provided for securing bale unroller to spike-bed.

Comes with stand for fast on and off.

Bales are manually loaded by inserting the Unroller's adjustable spikes into the bale's center axis and tightening with the unit's belt winch assist.

Raise bale for transport to feed site.

### Ask for the name of your local Winkel dealer

Winkel dealerships take pride in the quality of product we manufacture and continue to keep an inventory of products on hand for your immediate needs. Call today for the name of your local Winkel dealer. We also welcome calls of interest should you want to become a part of the Winkel dealer network as we continue to expand not only with our product line, but our service areas as well.
