Winkel Flatbed Systems Make Your Live Easier!

You'll be amazed at the time you'll save once you start using the Winkel flatbed "bale spike" accessory system on your truck. Hauling that one bale down the road or across the pasture to critical feeding spots will be simple and quick--noticeably faster than moving that bale with your tractor.

Bale spikes store neatly flush
& concealed in rear of bed

4" x 8" cylinder &
spring loaded bale spike locks

Remote control operation from
cab for easy loading & unloading

Winkels will mount your flatbed
or you can easily mount your own

Solid steel 2" x 40" pointed spike
teeth for easy penetration

12 volt electric
hydraulic power unit
