Investment Advisory Agreement

The undersigned ("Client"), being duly authorized, has established an Account/Relationship (the "Account"), and hereby agrees to engage Centauri Advisory Group Inc. ("IA") on the following terms and conditions.

I. *Appointment of Centauri Advisory Group, Inc.*

The Client hereby appoints IA as investment advisor for the Account. IA shall supervise and direct the investments of and for the Account, subject to the objectives, limitations and restrictions listed in the Client's Written Investment Policy. Client agrees to promptly notify IA in writing of any changes to its investment policy, and any changes to the restrictions or limitations applicable to the Account, and to provide IA with prior written notice of any changes in the identity of persons authorized to act on behalf of the Client with respect to the Account.

II. *Services by IA*

By execution of this Agreement, IA hereby accepts the appointment as investment advisor for the Account and agrees from and after the effective date, as referred to in the Schedule of Fees attached:

1. to supervise and direct the investments of the Account in accordance with the investment objectives of Client, and as communicated hereafter in writing to IA from time to time; and
2. to appraise and review, at least annually during the period of this Agreement investments of the Account, as initially accepted by IA, together with all additions, substitutions and alterations thereto; and
3. to render to Client, at least quarterly, a written statement of the investments of the Account. This statement may come directly from a Custodian. It is understood and agreed that IA, in the maintenance of records for its own purposes, or in making such records or the information contained therein available to Client or any other person at the direction of Client, does not assume responsibility for the accuracy of information furnished by Client or any other person, firm or corporation.

III. *Procedure*

All transactions authorized by this Agreement shall be consummated by payment to or delivery by Client or Custodian. IA will have no custody, at any time, of client funds and/or securities; and all funds/securities will be delivered between Client and Custodian only. Instructions of IA to Client or the Custodian with respect to investments shall be made in writing or orally and confirmed in writing as soon as practicable thereafter. If the identity of the Client's Custodian changes, the Client will provide IA with prompt, written notice of the change. Client hereby authorizes IA to receive from the Custodian a copy of any Custody Agreement in effect at any time with respect to the Account.

IV. *Service to Other Clients*

It is understood that the IA will perform investment advisory services for various clients. Client agrees that IA may give advice and take action in the performance of its duties with respect to any of its other clients which may differ with the advice given or action taken with respect to the Account, so long as it is the IA's policy, to the extent practical, to allocate investment opportunities to the Account over a period of time on a fair and equitable basis relative to other clients. Nothing in this Agreement shall be deemed to confer upon IA any obligation to acquire for the Account a position in any security which IA, its principals or employees may acquire for its or their own accounts or for the account of any other client, if in the sole and absolute discretion of IA it is not for any reason practical or desirable to acquire a position in such security for the Account. IA shall not be held responsible for any loss incurred by reason of any act or omission of any broker or the custodian for the Account.

V. *Client Accounts*

Client agrees to open an account with either Axos, Trade-PMR, Altruist or Schwab (the "Custodian") for the execution of securities transactions and custodial services. IA may receive certain administrative benefits from the Custodian that enable the IA to provide the Client with advisory services. Client understands that by instructing IA to execute all transactions on behalf of the Account through the Custodian, Client may not necessarily obtain commission rates and execution as favorable as those that would be obtained if IA was able to place transactions with other broker-dealers. Client may also forego benefits that Advisor may be able to obtain for its other clients through, for example, the negotiation of volume discounts or block trades.

VI. *Inside Information*

IA shall have no obligation to seek to obtain any material nonpublic ("inside") information about any issuer of securities, or to purchase or sell, or to recommend for purchase or sale, for the Account the securities of any issuer based on any such information as may come into their possession.

VII. *Proxies*

IA will not be required to take any action or render any advice with respect to the voting of proxies solicited by or with respect to the issuers of securities in which assets of the Account may be invested from time to time except as may be directed by the Client and except as may be otherwise required by law.

VIII. *Fees*

The compensation of IA for its services rendered hereunder shall be calculated in accordance with the Schedule of Fees. Client shall be given thirty (30) days' prior written notice of any increase in fees.

INVESTMENT SUPERVISORY SERVICES

Fees for these services will be based on the aggregate of Assets Under Management for a household as follows:

ASSETS UNDER MANAGEMENT	ANNUAL FEE
\$0 –\$500,000.00	1.25%
\$500,000.01 - \$1,000,000.00	1.00%
\$1,000,000.01 – \$5,000,000.00	0.75%
\$5,000,000.01 – \$10,000,000.00	0.50%
\$10,000,000.01 and up	0.35%

These fees are negotiable, and the final fee schedule is attached as Exhibit II of the Investment Advisory Contract. At the time that the Client Agreement is signed each client chooses to have their fee billed on a quarterly or monthly basis. The fee is collected in advance, and clients may terminate their contracts with thirty days' written notice. Refunds are given on a prorated basis, based on the number of days remaining in a quarter at the point of termination. Clients may terminate their contracts without penalty, for a full refund, within 5 business days of signing the advisory contract. Advisory fees are withdrawn directly from the client's accounts with written authorization.

There is an account minimum, \$50,000.00, which may be waived by the investment adviser, based on the needs of the client and the complexity of the situation.

Because client fees will be withdrawn directly from client accounts, this advisor must:

- (A) Possess written authorization from the client to deduct advisory fees from an account held by a qualified custodian.
- (B) Send the qualified custodian written notice of the amount of the fee to be deducted from the client's account.
- (C) Send the client a written invoice itemizing the fee, including any formulae used to calculate the fee, the time period covered by the fee and the amount of assets under management on which the fee was based.

INVESTMENT ADVICE NOT INVOLVING SUPERVISION

Financial plans and financial planning may include, but are not limited to, life insurance; tax concerns; retirement planning; investment planning; college planning; and debt/credit planning. These services will be based on hourly fees.

Depending upon the complexity of the situation and the needs of the client, the hourly fee for these services is \$120.00 billed in fifteen-minute increments. The initial consultation is free. The fees are negotiable. Fees are paid in arrears upon completion. Fees that are charged in arrears are not eligible for refunds. Clients may terminate their accounts without penalty, for full refund, within 5 business days of signing the advisory contract.

IX. *Valuation*

In computing the market value of any investment in the Account, each security listed on any national securities exchange or otherwise subject to current last-sale reporting shall be valued at the last sale price on the valuation date. Such securities which are not traded nor subject to last sale reporting shall be valued at the latest available bid price reflected by quotations furnished to IA by such sources as it may deem appropriate. Any other security shall be valued in such manner as shall be determined in good faith by IA to reflect its fair market value.

X. *Representations by Client*

The execution and delivery of this Agreement by Client shall constitute the representations by Client that the terms hereof do not violate any obligation by which Client is bound, whether arising by contract, operation of law or otherwise; that if Client is an entity other than a natural person (a) this Agreement has been duly authorized by appropriate action and is binding upon Client in accordance with its terms and (b) Client will deliver to IA such evidence of such authority as IA may reasonably require, whether by way of a certified corporate resolution or otherwise; (c) that if the Client is subject to the requirements of the Employee Retirement Income Security Act of 1974 as amended ("ERISA"), the Client has notified IA of such fact in writing, and the Client representatives who have executed this Agreement are "named fiduciaries" of the Client. Client will indemnify IA from any liability or expense resulting from a breach of Client's representations or from actions of plan fiduciaries of any ERISA plan other than IA. IA is responsible only for the Account and not for the diversification or prudent investment of any outside assets of the Client.

XI. Representations by IA

By execution of this Agreement, IA represents and confirms that it is registered as an investment advisor pursuant to federal law.

XII. Termination

This Agreement shall continue in effect until terminated by either party by giving to the other 30 days written notice. No assignment of the Agreement by IA shall be effective without the prior written consent of Client. Client may terminate the Agreement within five (5) business days of signing, without penalty, and with full refund.

XIII. Bond

If a bond is required in connection with an Account, Client agrees to obtain and maintain for the period of this Agreement the bond in the amount specified by ERISA or other applicable law and agrees to include IA among those covered by such bond.

XIV. Notices

All notices and other communications contemplated by this Agreement shall be deemed duly given if transmitted to IA at: 310 S. Main Street, Zelienople, PA, 16063, to the attention of its CEO, and to Client at the address, or at such other address or addresses as shall be specified, in each case, in a written notice similarly given.
