PORCELLANA, IL PRESTIGIO DI UNO STILE INCONFONDIBILE

É nella porcellana che la Vezzani raggiunge l'eccellenza, realizzando quella sintesi di tradizione ed innovazione che caratterizza lo stile inimitabile dei suoi prodotti. Il segreto della porcellana è nella sua forza eterea, così delicata da sembrare misteriosa, eppure destinata a testimoniare nei secoli la serietà di un'azienda, la professionalità e l'impegno degli uomini che l'hanno resa famosa nel mondo.

PORCELAIN, THE PRESTIGE OF UNMISTAKABLE ELEGANCE

Vezzani have achieved levels of excellence with porcelain, producing a synthesis of tradition and innovation that characterizes the inimitable style of its products. Porcelain's secret is in its ethereal power, so delicate as to appear mysterious, but destined throughout the centuries to prove the sincerity of a company, the professional know-how and commitment of the personnel that have made it famous worldwide.

La Vezzani S.p.A. è la prima e la più importante azienda del settore che può vantare il primato del rilancio della tradizione millenaria della porcellana sul mercato funerario internazionale, in sintonia con le esigenze moderne grazie ai più avanzati ritrovati dell'arte e della tecnica.

La Vezzani s.p.a. è in condizione di comunicare alla propria clientela che all'altissima qualità della propria linea di prodotti di porcellana consegue la sua sostanziale inalterabilità nel tempo, e in particolare, la sua resistenza al sole, al gelo, alla salsedine, alle piogge acide e a tutte le forme di inquinamento.

Una qualità che l'operatore del settore potrà a propria volta rendere nota al suo cliente, qualificando così il proprio lavoro con un prodotto che non porrà problemi perché praticamente eterno, salvo invecchiamento naturale dei particolari metallici e degli eventuali decori.

La Vezzani s.p.a. di buon grado rilascia per iscritto tale attestazione alla propria clientela, che le ha permesso, concedendole la sua fiducia, di diventare l'azienda leader nel mondo in tale settore.

Con gratitudine.

Vezzani s.p.a. is the sector's most important company and the first able to boast leadership on the international funerary market with the revival of the age-old tradition of porcelain, in step with modern demands thanks to the most advanced discoveries in art and technology.

Vezzani s.p.a. is able to inform its customers that its line of porcelain products is of the highest quality making it essentially unalterable over time and, in particular, resistant to the sun, frost, salt, acid rain, and all form of pollution.

A quality that sector operators may in turn make known to their customers, characterizing their work with a product that will not create problems because, except for the natural ageing of the metal parts and any decorations, its practically eternal.

Vezzani s.p.a. takes pleasure in providing this written statement to its customers, whose trust has allowed it to become this sector's world leader.

Many thanks.

ISTRUZIONI di MONTAGGIO ARCADIA

La superficie di adesione deve essere perfettamente piana e levigata, marmo granito vetro cristallo ecc..

1.
Pulire accuratamente la lastra con alcool.

2.
Tracciare a matita la linea di posizionamento del carattere. Pulire accuratamente le lettere che debbono essere perfettamente asciutte e sgrassate con alcool.

3.
Stendere uno o due millimetri di spessore di resina siliconica neutra su tutta la superficie.

4.
Posizionare il carattere tenendo presente che, un perfetto allineamento si ottiene facendo collimare la traccia a matita con gli incastri della lettera.

5.
Premere leggermente

6.
A silicone asciutto eliminare le bave con un cutter o un piccolo scalpello affilato.
