## Gymnastics

**By accepting a place at Esprit Kids, you are agreeing to adhere to the following terms and conditions.**

**We reserve the right to refuse participation for non-compliance.**

### Bookings and Payments

Bookings and the 1 session trial for classes must be booked via our Class4kids booking system or with one of our admin team. No classes can be attended without full payment being made prior to the session, if you have not paid for a place then the coach has the right to refuse entry to the class.

After your trial session has been completed you will be expected to pay for classes via monthly subscription. You risk losing your child's place in a class if you do not make full payment for the month in advance of the start date of that term.

Esprit Kids Gymnastics runs throughout the year, with scheduled closures that are unique to each franchise. However the monthly payment remains the same as all closures are taken into account.

Your payment plan covers all fees for the year. These fees are split into 12 affordable payments, therefore fees are still due when classes are not running. All fees are taken by Direct Debit on the first of each month.

### Photo and Video Disclaimer

When booking your child into a class or event at Esprit Kids you are asked if you are happy for us to take your Child's photo/video and use it on our social media platforms and for advertising purposes.

Please note that if you haven't clicked NO on this section Esprit Kids are seen to have been given consent to photograph your child for use in print and/or electronic publicity for Esprit Kids Gymnastics.

To ensure the privacy of individuals and children, full names or personal identifying information will not be used without written approval from a parent or carer.

If you do not want us to use a photo or video of you or your child, please notify us in writing.

### Cancellations

Signing up for classes is a monthly commitment and fees are non-refundable.

Should you, the Parent/Guardian, wish to cancel your child(rens) membership, a letter or email of your intent should be sent to and received by Esprit Kids Gymnastics.

The minimum notice period required for cancellation of a student's membership is one month.

In exceptional circumstances, it may be necessary for Esprit Kids gymnastics to cancel a class. If this happens, you will be notified with as much notice as possible by email and on our social network and you will be refunded accordingly.

However if the cancellation is outside of our control – for example due to an incident at a venue, extreme weather conditions or Covid related then a refund maybe not be applicable.

### Charges

We appreciate that some children do not always wish to take part in a session, or may wish to attend other events. In this case, you are not entitled to a refund.

### Arriving at classes and leaving

All children must attend classes with a supervising adult. Parents/carers of children in independent classes must be reachable by the number provided.

The coach will not allow children to leave the class without their parent/guardian present.

### Disruptive and Inappropriate Behaviour

Children and adults attending classes are asked to be civil and courteous to other members at all times. Should a child or adult become abusive, violent or disruptive, it is at the discretion of the lead coach to issue a time out in accordance with our discipline guidelines.

### Holidays

Holidays taken within course dates will not decrease the price of the course. Full payment for the course must still be made and no refunds will be given for weeks missed due to holidays, illness etc.

### Disabilities/SEND

On booking, please give full details of any child with any disabilities or SEND requirements. It is the parent/guardian's responsibility to notify us to ensure safe and effective teaching methods and standards are maintained. Some disabilities will need additional checks from our insurers and we may require you to provide letters from medical professionals on this before classes can be attended.

### Medical conditions

Guardians must update the staff with details of new or changing medical conditions.

### Insurance, First Aid and DBS Checks

We have Public Liability Insurance to include accidental injury to any person or property caused in connection with the business.

Activities for participants are covered by Sports Cover Europe Insurance.

This does not apply to parent and child classes, as the child remains the parent's sole responsibility whilst on Esprit Kids property.

Esprit staff will have attended a First Aid Awareness Course and/or have a First Aid qualification. Copies of qualifications and DBS checks are available upon request.

### Understanding risk

Due to the nature of activities at a gymnastics club, the possibility of serious injury, albeit small, does exist. It is vital that members follow ALL instructions given to them by coaches to decrease the risk of serious injury.

By attending class it is deemed that you accept the risks associated with such participation.

Gymnastics rooms and equipment must not be used without an Esprit Kids Ltd coach present.
