NEWSLETTER | SEPTEMBER 2026

A MESSAGE FROM YOUR EXECUTIVE DIRECTOR

There's a story woven into nearly every family: parents who spent years pouring themselves into their children—driving to lessons and games, cheering from the stands, making sure everyone had what they needed. As time goes on, those children grow up, start families of their own, and the days fill up with new responsibilities. Then come grandchildren, and even great-grandchildren, and life gets busier still. It's not that anyone means to drift apart, but as the seasons change, the parent who once held everything together can sometimes feel a little more alone.

That's why National Assisted Living Week holds such special meaning for us each September. Each year, the week begins on Grandparents Day and this year carries the theme "Shining through the Years"—a celebration of the many decades of memories, music, and experiences that our residents bring to our community. When someone who spent a lifetime caring for others joins us here, they find themselves surrounded by new friends, compassionate team members, and a sense of belonging that can quickly brighten even the quietest days.

Research shows that these daily interactions—sharing meals, swapping stories, simply greeting a neighbor—don't just lift the spirit; they truly make a difference in

health and happiness. Seniors who are socially connected are more likely to enjoy improved mood, better cognitive health, and a lasting sense of purpose. Even a single conversation can be a reminder that no one is ever truly alone.

As we mark National Assisted Living Week, we honor all those who have helped shape families and communities for generations. We thank you—residents, families, and team—for sharing your lives and legacies with us, and for allowing us to be part of your journey.

If you're curious about the celebrations or opportunities to connect this month, you'll find more information on our calendar or inside this newsletter. Whether you join us for a visit, a conversation, or simply a cup of coffee, you are always welcome.

Thank you for allowing us to continue serving you and your loved ones. May God bless you with peace, joy, and the reminder that every stage of life is worthy of love, attention, and connection.

Sincerely,

Catie Mason

JOY FOR THE JOURNEY

SCRIPTURE

"This is the day which the Lord hath made; we will rejoice and be glad in it." Psalm 118:24

Sometimes we think joy belongs to the young—to busy days, new adventures, accomplishments, and exciting possibilities. But Scripture reminds us that joy is not dependent upon our age, our circumstances, or how much energy we have.

Joy is a gift from God that can travel with us through every season of life.

As we grow older, the journey may look different than we once imagined. We may have fewer responsibilities, but also fewer opportunities to do the things we once enjoyed. Our circle of friends may change. Our bodies may remind us that we are not as young as we used to be.

Yet there is still joy to be found.

There is joy in a familiar hymn that brings back a treasured memory. Joy in a phone call from someone we love. Joy in a beautiful morning, a good cup of coffee, laughter shared with a friend, or the simple comfort of knowing that God is near.

Sometimes we look for joy in the destination when God wants us to discover it along the way.

The journey itself is holy ground.

Think about how many roads God has already walked with you. He was there in childhood, through family years, through successes and disappointments, through times of celebration and times of grief. He has carried you through valleys and rejoiced with you on mountaintops.

And He is still walking with you today.

We may not know how many miles remain on our earthly journey. But we can know who holds every mile in His hands.

That gives us reason for joy.

Joy does not mean that everything is easy. We can experience sadness, loneliness, or disappointment and still have joy deep within our hearts. Christian joy is the quiet confidence that, whatever comes, **God is with us and we are never walking alone.**

Perhaps today God is inviting us to slow down and notice the blessings along the road.

Instead of saying, "I wish things were the way they used to be," we can say, "Lord, show me the blessings You have placed in my life today."

Instead of worrying about tomorrow, we can receive today as a gift.

Instead of focusing only on what we have lost, we can give thanks for what remains.

And instead of wondering whether our lives still have purpose, we

CHAPLAIN DANNY RHODES

other opportunity to love, encourage, pray, forgive, smile, and share God's goodness with someone else.

There is still joy for the journey.

So let us keep walking—with grateful hearts, open eyes, and faith in the One who goes before us.

The road may change. Our pace may change. But God's love never changes.

And wherever the journey leads, we can walk it with joy because Jesus walks with us.

PRAYER

Dear Heavenly Father,

Thank You for the journey You have given each of us. Thank You for the joys, the memories, the people, and even the difficult experiences that have helped us become who we are.

Help us not to spend our days looking only backward or worrying about what lies ahead. Give us eyes to see the blessings You have placed along our path today.

When our bodies are tired, renew our spirits. When our hearts are lonely, remind us that You are near. When we are discouraged, help us remember Your faithfulness.

Fill our hearts with a joy that circumstances cannot take away.

May we continue this journey with gratitude, courage, laughter, and faith, knowing that we never walk alone.

In Jesus' name, Amen.

A THOUGHT TO CARRY WITH YOU

"I may not know what tomorrow's road will bring, but I know who walks beside me—and that is enough to give me joy today."

Celebrate even the tiniest of victories—life's too short to NOT throw confetti for every small success.

CRAFT CORNER

YOU'VE GOT MAIL!

MEET *Betty Cooper*
Singing Through the Storms, Collecting Joys Along the Way

Betty Cooper knows every word to the old hymns—the ones she sings with the Marquis Melodies every other Thursday morning, her voice threading through the group, steady and true. Music has always been the backdrop of her life, from seven years of childhood piano lessons (she'll tell you with a laugh she does a “poor job” accompanying herself) to singing with the New York All-State Chorus, a summer with Schola Cantorum in Manhattan, and eight years lending her alto to the Douglas West Atlanta Chorale. She still remembers the thrill of singing with Robert Shaw, the kind of moment you tuck away and revisit on quiet afternoons.

Born in Statesboro, Georgia, in the thick heat of July 1942, Betty came into the world while her father was serving in the Navy, stationed in the North Atlantic. Her mother, finishing up her degree at Georgia Teachers College—which is now Georgia Southern—taught elementary school in Brooklet, where Betty spent her early years. Betty was the oldest of three. Her sister Ann was born in Dublin, Georgia, and her birth came with its own story: the doctor who delivered her was Ty Cobb's son. Folks around town always thought he was more pleasant than his famous father. Betty's brother, Dan, came along in 1953—a wonderful surprise—born at Georgia Baptist Hospital in Atlanta.

Change came early and often. By first grade, Betty was at Hartwell Elementary, then Druid Hills in Atlanta, then White Plains, New York, as her father chased his doctorate. She finished high school in Maplewood, Columbia, and earned her biology

degree in 1963—one of those women who always seemed to be moving forward, upward, onward.

It wasn't just music—Betty found joy in every group she joined, from Brownies and Camp Fire Girls in childhood, to clubs in high school and college, to church choirs and teaching Sunday school for the seven, eight, and nine-year-olds. She enjoyed them all, collecting friendships and memories with each new season.

Work was never just a line on a resume. Her first paycheck with Social Security deductions came at age eleven, from the Forest 5 & 10. She still remembers the smell of the penny candy, and the surprise decades later when that job showed up in her retirement papers. In high school and college, she was never still: babysitter, language lab assistant, cafeteria worker—serving up three meals a day behind a steam counter.

After college, she put on her best dress and took a job as an officer trainee at C&S Bank in Macon, earning \$275 a month, before finding her calling at DFCS. For 38 years, she walked with families through the hardest chapters of their lives—foster care, adoptions, protective services. Even retirement didn't slow her down; she served on the Wilkinson County DFCS Board, always showing up, always giving.

Betty met her future husband, John Robert “Bob” Cooper, at Mercer Macon, Ga. There's a black-and-white photo from their wedding day—August 31, 1962. Just married, they checked in at the Riviera Motel near Terminal Station in Atlanta. They were hungry, so Bob went out, returning with a bag of a dozen Krystals for just a dollar. Thirty years later, they returned to that same

motel to celebrate and were gifted a free anniversary night, laughter and nostalgia taking the place of wedding-day nerves. They drove north to Gatlinburg, spent three days at the River Terrace Motel, and started a life together that lasted 58 and a half years before Bob passed in January of 2021. “We still liked each other,” Betty says, smiling.

Their children, Andi and Josh, were five years apart. Andi—creative and musical—graduated magna cum laude. Josh, smart and steady, finished at Georgia Tech with honors. Betty's pride in them is stitched into every story she tells. The pain is there, too—2011 brought the kind of loss that tries to unmake you. That year, cancer took both her children. Andi, married to Bill, was lost to metastatic breast cancer. She left behind her husband and two children—Tiffany, who was just coming into adulthood, and Briggs, still growing into himself. Josh, steady as ever, was married to Veronica. His fight was shorter, a fast-moving brain tumor that changed everything. When he died, his children—Jack, Charlotte, and Daeg—were only eleven, eight, and three.

Betty's voice softens at these memories, but she keeps going—because that's what she's always done.

Now, the next generation carries her stories forward. Tiffany, Andi's daughter, is a librarian media specialist at Rome High School—the reason Betty came to Rome. Tiffany and her husband Jared welcomed Betty's first great-grandson last December. Briggs isn't far away either. Josh's three—Jack, now an Ole Miss graduate working in Memphis, Charlotte, a Georgia Tech senior and Dow Chemical co-op in Texas, and Daeg, in his last year at Blessed Trinity High School and will enter

ZARYAH CHASE ✨ SEPTEMBER HONOREE

"If anyone forces you to go one mile, go with them two miles." Matt 5:41

We are thrilled to recognize Zaryah Chase—a affectionately known as "Z"—by our residents—as this month's Going the Extra Mile honoree.

Zaryah was nominated by JoAnn Shaw, who shared, "This young lady has been my caregiver and has been so attentive since the day in July when I moved in for rehab after my auto accident. She told me to call her anytime I needed her and I surely did! Always with a smile, she escorted me to meals in a wheelchair and later followed me as I began to walk again with a walker. When she saw me in the building, she always asked how I was doing. She cares about her senior residents. She deserves to be recognized for her good work and for doing it with a smile."

Zaryah's commitment shines through in every interaction. In just four months as a caregiver in Personal Care, she's made a lasting

impression on both residents and colleagues. Her warmth and attentiveness have helped residents know they are safe and supported, especially when they need it most.

Born in Nashville and raised in Rome, Georgia, Zaryah's compassion runs in the family. Her mother, Qurbe Moore, serves as our Harbor Resident Services Director, and has taught Zaryah the importance of caring for others. Now a Senior at Rockmart High School, Zaryah balances her studies with her deep dedication to the Renaissance community.

When asked what she enjoys most about working at Renaissance, Zaryah says, "I enjoy working at Renaissance Marquis because I get to build meaningful connections with my residents and help them maintain their independence and dignity while creating a warm and supportive community they can truly call home."

Outside of work, Zaryah loves reading, shopping, traveling, and spend-

ing time outdoors. Some of her favorite moments are hearing stories from residents about their younger days. Her role model is her mom, and Zaryah hopes to follow in her footsteps as a nurse. She shares, "My residents have taught me how to find joy in small moments and to show endless patience every single day."

Zaryah, thank you for going the Extra Mile—and for doing it all with such a beautiful smile. We're grateful to have your positive spirit and caring heart as part of our Renaissance family.

MEMORIAL

One Saturday morning, the pastor noticed little Johnny was staring up at the large plaque that hung in the foyer of the church. It was covered with names, and small American flags were mounted on either side of it. The seven-year-old had been staring at the plaque for some time, so the pastor walked up, stood by the boy, and said quietly, "Good morning, Johnny."

"Good morning, Pastor Ron," replied the young man, still focused on the plaque.

"Pastor, what is this?" Johnny asked.

"Well, son, it's a memorial to all the young men and women who died in the service."

Soberly, they stood together, staring at the large plaque. Little Johnny's voice was barely audible when he asked, "Which one, the Wednesday night or Sunday morning service?"

Georgia Tech in the fall—have each grown into their own.

From the day after their honeymoon, Betty and Bob always shared their home with dogs—mostly German shepherds, sometimes a Great Dane or two loping through the yard. Dogs were part of the family, their steady presence a comfort through every chapter. It wasn't until just before Bob died that they welcomed their first kitten, Tigger. Betty will tell you that Tigger has been a good friend to her ever since.

It was March the eighth of last year when Betty moved into Renaissance Marquis. The day after she made her decision, her grandchildren gathered—some driving in from Alentown, others from Rome—ready to pack up her worldly belongings. Together they sorted through decades of memories, taping up boxes, wrapping framed photos, and gently tucking away treasures. The moving truck and cars filled up, each load a patchwork of Betty's life.

As she watched her grandchildren carry her things out of the house and into this next chapter, Betty felt a swirl of emotions—gratitude for their love and help, pride in the family she and Bob had built, and a sharp ache for her children who couldn't be there. She paused in the

doorway, allowing herself that moment to feel it all. But dwell in that moment, Betty would not. At the same time, she also saw the blessings of her life, gratitude for the family around her, and she looked with anticipation at this new season ahead.

At Renaissance Marquis, laughter and conversation filled the apartment as her grandchildren hauled in boxes, arranged furniture, and hung pictures just so. Tigger the cat—her quiet companion—explored the new space, weaving between legs and curling up in a sunny spot. "She's been mighty good company," Betty says of Tigger. By the end of the day, the place felt like home, every corner touched by the hands of those who love her. Betty still smiles at the memory, the bittersweet edges softened by gratitude. She hasn't regretted the move for a single moment.

Betty has found her rhythm at Renaissance Marquis. Her favorite activity is Marquis Melodies every other Thursday morning, where she sings hymns with friends, accompanied by Janice—her friend June's sister—on the piano. Once a month, she joins the craft corner, creating something new each time. She looks forward to the monthly lunch

outings to different restaurants, and never misses a chance at bingo, always playing for prizes and for the fun of it with a nice bunch of folks. Each week, there's a lively Scrabble game, and sometimes Rook or Mexican Train, laughter and banter filling the room.

She still makes baskets—she was a member of the Basketry Association for ten years—and when her fingers allow, she loves to sew, quilt, and settle in with a good book. There's always something to do, and Betty is grateful for it all.

In her own words: "The residents are friendly, the food is mighty good, and all the special groups that come in to entertain us—dancers, bands, choirs—are just a few. The staff don't feel like staff, but friends who want you to have a good day—and we do."

Some days her fingers are stiff and she can't do quite as much as she'd like, but Betty never lets that slow her down for long. There's always another project, another song, or another story waiting for her at Renaissance Marquis.

It's not a life without loss, but Betty Cooper's story is one of showing up, singing out, and loving fiercely. She'll tell you that herself—if you listen, you'll hear the music in her voice.

 MUSIC WITH LAUREN: A GRANDDAUGHTER'S GIFT

Every time Lauren visits, our halls fill with music and memories. Even after her beloved grandmother, Ruth Woodell, passed away last year, Lauren keeps coming back—singing, playing guitar and piano, and sharing her warmth with our residents. Her visits remind us that the bonds made here last far beyond a lifetime. We're grateful for Lauren's continued generosity, and we all look forward to seeing her and listening to her wonderful gift of music.
