GENERAL PRICE LIST

These prices are effective as of January 1, 2026 but are subject to change without notice. Please consult our office if you have any questions concerning this information.

The goods and services listed are those we provide to our clients. You should choose only those items you desire. Any funeral selections you make, however, will include a charge for our services. If legal or other requirements mean that you must purchase any items not specifically requested, we will explain the reasons in writing. This will be shown on the Statement of Funeral Goods and Services.

This price list does not include fees for any items you ask us to order, such as cemetery, flowers, newspaper notices, certified copies of death certificates or other items. The prices for those items will be shown on your Statement of Goods and Services.

As with any other purchase, we require payment in full and all cash advances at the time we provide the service. We do not extend credit. We accept cash, checks, credit cards and insurance assignments. Insurance assignments and credit cards do not qualify for any cash discounts.

All prices quoted are for cash and already reflect a 5% cash discount. Accounts paid with credit cards or insurance assignments will not receive the 5% cash discount. Any other payment arrangements, such as payment by life insurance assignment must be made prior to any services and must be verified by the insurance company, signed by the beneficiaries, and guaranteed by the person responsible for making the arrangements. No cremations will be performed until the balance is paid in full.

We ask that you make payment arrangements directly with the cemetery regarding any interment and marker setting charges. You may be asked to provide credit card information for out-of-town newspaper notices or other expenses that we arrange for you.

We are not responsible for any charges you may incur from third parties or delays beyond our control. Legal documents and authorizations are sometimes delayed. We will not purchase grave spaces on your behalf or accept any cemetery charges. No discounts apply to accounts not paid in full within 30 days and interest will be charged on balances over 30 days old.
