

# ALL-STAR VENDING

## PRODUCT & SERVICE GUIDE

*LARGE ENOUGH TO SERVICE, SMALL ENOUGH TO CARE*

---

At All-Star Vending, we do more than just place machines and deliver snacks and beverages. We provide a vending solution tailored specifically to your business, employees, and customers. At **zero cost** to you, we deliver top-tier service, program customization, and our machines come with the latest technology and seamless payment systems.

# ABOUT ALL-STAR VENDING

---

At All-Star Vending, our mission is to deliver world-class vending solutions tailored to our customers' businesses. We prioritize employee satisfaction, customer expectations, and strong relationships to create a reliable vending experience.

- In the vending business since 2017
- We combine years of experience with new-age innovation
- We are a growing family-owned company that is set on exceeding our customers' expectations and building long lasting partnerships.
- Whether you are looking to outshine competitors, increase morale, consolidate vendors, or just save yourself time and headache- we are here to help!

# CUSTOMER BUSINESS BENEFITS

---

At All-Star Vending, we understand the importance of keeping your workplace or facility running smoothly while providing your employees, residents, or customers with convenient access to meals and beverages. With our 24/7 vending solutions, we help boost morale and enhance satisfaction by offering products people actually want. Our team is dedicated to providing seamless service, from customized product selections to easy payment options, all while handling the logistics so you can focus on what matters most. We're here to make your life easier with hassle-free vending services that fit your needs and exceed your expectations.

## **Tailored Product Offerings**

- Customized product selections to meet the unique preferences of your employees, residents, or customers
- A wide variety of snacks, meals, beverages, and healthier options to satisfy every taste.

## **Top-Tier Service**

- Some mom and pops are too small to be reliable, while some big corporate companies are too big for the necessary attention to detail
- Our unique approach involves training and supporting dedicated owner- operators who are personally invested in the business.

## **Convenient Payment Options**

- Accepts cash, credit/debit cards, Apple Pay, and other contactless payment methods.
- We also offer select machines with the capability to create an account for loyalty points and add a balance to your account.

## **No Cost, No Hassle**

- Completely free- zero costs associated with our machines
- We handle installation, restocking, and maintenance so you don't have to.
- Proactive machine monitoring to ensure stocked and fully functional machines.
- Responsive, dedicated support to address service needs promptly.

# MACHINES & TECHNOLOGY

## Elevate Your Break Room Experience

We install sleek, state-of-the-art vending machines that combine modern design with smart technology. These machines are built for reliability and efficiency, ensuring that your products are always available when needed. With features like touchless payment options and energy-efficient operations, our machines offer a seamless, hassle-free experience while complementing the look of your space.

### Vending Machines

Our modern vending machines offer a convenient, reliable solution for providing snacks, drinks, and more. With easy-to-use interfaces, touch-less payment options, and energy-efficient designs, they provide an enjoyable experience for your employees, residents, or customers, all while ensuring products are stocked and ready to go.

### Smart Market

Our smart markets provide a modern, self-serve solution stocked with a variety of snacks, meals, beverages, and healthier options. With flexible payment options and 24/7 accessibility, it's easy for your employees or customers to grab what they want, when they want it.

### Café

Our coffee bars offer a premium, self-serve experience with a variety of coffee, tea, and specialty beverages. Equipped with high-quality machines, they provide convenient access to fresh, hot drinks, ensuring your employees or customers enjoy a comforting and energizing break throughout the day.

### Benefits

Our machines feature advanced iVend technology, multiple payment options, and fully refrigerated systems to ensure maximum freshness. With a diverse selection of offerings, including sandwiches, biscuits, and healthy options, we provide convenience and quality in every purchase.

# CONVENTIONAL VENDING MACHINE SOLUTIONS

**CHILLED SNACK  
& DRINK COMBO**

**CHILLED SNACK  
ONLY MACHINE**

**CHILLED DRINK  
ONLY MACHINE**

**FROZEN ONLY**

## Features of our Federal Machine Product Line

- Machines are fully refrigerated to ensure freshness and wider variety of snacks
- Advanced payment systems can take cash and coin, credit/debit card, Apple Pay, and other contactless payment options
- iVend Technology – Copyrighted product sensor technology guarantees that the selected item is vended, or the customer receives an immediate refund
- UVend Technology – UV Light sanitation technology kills up to 99.9% of viruses and bacteria on “high-touch surfaces”
- ADA Compliant options – Requires a 48” max height for customer interface, and a 15” minimum height for product delivery

# SMART MICRO-MARKET SOLUTIONS

## Features of our Micro Market Convenient Centers

- Our Micro Markets have customizable displays and setups, which allow us to offer a wider variety of products than a typical vending machine
- The self-service model that this setup offers, provides a very smooth experience for the user. No more vending machine coil jams- get what you want, when you want it
- Advanced payment options include credit and debit card, Apple Pay and other contactless payments, cash and coin, interactive in-app payments, and the ability to create an account for loyalty points and promotions
- Great options for luxury apartments, hotel lobbies, hospitals and workplace break rooms where the additional product offerings are desired

# CAFÉ SOLUTIONS

## Standard Drip Coffee Setup

- Commercial coffee brewer with 1-3 attached pot burners
- Typical in simple environments where the coffee is provided by the business

## Keurig Cup Coffee Setup

- A commercial Keurig machine, accompanied with a display of K-Cups
- Great for on-the-go environments that desire a variety of options

## Luxury Bean-To-Cup Coffee Setup

- A higher caliber coffee machine that offers bean-to-cup coffee in less than a minute
- Perfect for businesses that want to offer café caliber coffee options for Americano, Cappuccino, Espresso, and more.
- These machines can be setup to provide coffee at no cost or to offer a cashless payment option

## All-Inclusive Coffee Vending Setup

- Bean-to-cup coffee machine that offers a wide variety of hot drinks, using powders such as French vanilla, mocha, milk, etc.
- This is the ideal setup for businesses that want to provide coffee and minimize theft and waste. Everything from cup dispensing to adding sugar, is all done internally at each new transaction
