# COMPANY SUMMARY

**BALDWIN GROUP NT**  
REFRIGERATION · AIR CONDITIONING · ELECTRICAL

*The Name You Can Trust*

*"We call ourselves 'the name you can trust' because we're upfront with our clients and our staff.*

*We're here for the long-haul."*

*Warrick Baldwin, Managing Director*

Baldwin Group NT is a company based in Darwin, Northern Territory with 15+ years experience in refrigeration, air conditioning and electrical, servicing the Oil and Gas, Defence, Marine, Industrial and Commercial sectors.

We specialise in heavy marine/offshore HVAC-R solutions, refrigeration and air conditioning design, installation and service, and the procurement and supply of HVAC-R parts, equipment and gases.

Directors Warrick Baldwin and Tim Baldwin are born-and-bred Territorian tradies and businessmen: Warrick is qualified in Electrotechnology Refrigeration and Air Conditioning and Tim in Electrical. Together, we've assembled a team of highly trained personnel who consistently exceed our expectations in providing exceptional quality work and customer service.

Baldwin Group NT have achieved ISO certification in Environmental Management, Quality Management, and Occupational Health and Safety Management Systems.

We are a long time Defence training provider and an employer of Indigenous personnel.

# HOW WE WORK

*The Name You Can Trust*

At Baldwin Group NT, we are always available for our clients.

We provide 24/7 technical support to our remote clients at no charge, and we will go over and above to assist our clients to achieve their outcomes.

We believe in being transparent and honest in everything we do.

*Our approach to business is underpinned by our values;*

## *Integrity*

We believe nothing is more important than our reputation.

Operating with the highest levels of honesty, integrity and trust is fundamental to who we are.

## *Culture*

Our personnel are our most valuable resource and our success is dependent upon the valued contributions of all of our team.

Our clients are respected and are the lifeblood of our business who deserve the best we can deliver.

## *Quality*

We strive to always meet the highest standards in our industry delivering high quality, cost effective services to our clients without compromise.

We pride ourselves on good communication, prompt and safe service, friendly delivery and quality finish.

## *Collaboration*

Good results often call for a cooperative approach between trade, supplier and professional companies to provide the best service to our clients. We are flexible, agile and innovative in our approach to providing industry solutions.

## *Community*

As a proud Territory family and business, we are local and we support local.

We believe in giving back to our community and adding to our unique region through support of community groups, recreational and lifestyle events and natural environment projects.
