Did you know?

You can reduce your Federal Income Tax bill by making a charitable contribution to St. Elizabeth Seton from your IRA via a Qualified Charitable Distribution (QCD).

A few things:

1. You must be over age 70½ at the time of the distribution.
2. You are NOT required to itemize your deductions to obtain the tax benefit.
3. QCD can count towards your annual Required Minimum Distribution (RMD).

The rules for QCD's are very complex, and you should consult with your tax advisor as soon as possible in order to maximize your tax benefit.

Easter Sunday Message from Bishop Dennis E. Spies April 2026

Happy Easter everyone! This is the greatest of all the celebrations. Everything we celebrate all year culminates Easter Sunday. Have you ever considered that the whole point of Christmas is that Easter Sunday needs to happen?

Sometimes we forget in our life that Easter Sunday is real. We think a lot about the passion that Jesus had to go through on Good Friday and how we participate in it. When life is difficult and we're struggling, we sometimes forget about Easter Sunday during the year. It's important for us to remember that any time we're going through something and we're struggling, and then somehow we get through it, and it's extraordinary afterwards—that's Easter Sunday in your life.

Our Lord Jesus participated in Easter Sunday to let us know that he has power over life and death. His life wasn't taken from him. He gave it away—the same with rising from the dead. He chose to rise from the dead. Why would he do that? To let us know that we're next. We get to participate in this resurrection when we follow Him throughout our whole life. And the whole point of the resurrection is the proclamation of eternal life, that we will rise from the dead when we die. Thanks be to God that He saw fit to give us such an example.

This witness is apparent as we enter into this Easter season when we see the apostles boldly testifying to the resurrection from the dead—most of them with their lives. They were martyred on account of their testimony, so it's not just an expression. Jesus actually rose from the dead, and they gave their lives to testify to it.

So, this year, remember that celebrating Easter is about celebrating Jesus' rising from the dead, and the hope that he gives us. Rather than filling up on chocolate Easter bunnies and eggs because you gave up chocolate for Lent, celebrate the resurrection of the Lord Jesus in your life, rising out of the many challenges you face to give you hope in this life and in the life to come. Thanks be to God.

***Bible Study beginning April 16th
9am and 7pm for 8 weeks***

The greatest archeological discovery of the 20th century gave the world the Dead Sea Scrolls. As the oldest sacred documents of Judaism, the scrolls have many surprising connections to early Christianity. Biblical scholar Dr. John Bergsma and Franciscan University of Steubenville president Father Dave Pivonka, TOR, discuss the history and mysteries of the scrolls, what they reveal about Jesus Christ, the sacraments, and the early Church, and why they matter to believers and non-believers today.

We will watch a half hour video followed by a 30-minute discussion of the topic. Use the QR code below to the signup for this study. Contact bobpurpura@yahoo.com for information or questions.

E A R T H C A R E **LIVE SIMPLY SO OTHERS** **CAN SIMPLY LIVE** **EXCITING NEWS!!!**

Earth Care Ministry at SES will hold their annual Earth Day celebration on the weekend of April 11/12 in the lower level Great Hall. Earth Day has been around since 1970. In earlier years the emphasis of Earth Day was on awareness, learning, and visibility. Recent years have left us with information overload, growing concern and limited behavior change.

The focus of EARTH CARE 2026 is **moving from hope into action**. Nothing we do is complete. No campaign restores every forest. No prayer cools every warming sea. No act of solidarity mends every wound of the poor or the planet. No amount of education will correct climate change.

THIS IS WHAT WE AT EARTH CARE ARE ABOUT: We plant trees whose shade we will never sit beneath. We clean the waters trusting they will run clear again. We educate hoping it will one day make a difference in our world. We try to quietly mend some of that which is broken. We set examples of recycling and reusing hoping one day others will adopt these practices in their lives. We cannot do everything, and there is peace in knowing that. It frees us to do something and to do it with love and perseverance.

We invite you to come down after Mass April 11/12 and celebrate Earth Day with us – see what the excitement is all about. Bring your children, your ideas, your love of the earth. We will even serve donuts after the Sunday masses! See you then!

CHRIST IS RISEN! ALLELUIA! HAPPY EASTER!!

This is the day the Lord has made; let us rejoice and be glad in it! Alleluia! With the whole Church we rejoice at the resurrection of Christ! St. Athanasius said “the 50 days from the Resurrection of our Lord to Pentecost Sunday are celebrated in joy and exultation as one feast day, indeed as one ‘great Sunday’. The first 8 days or ‘Octave’ specifically celebrate the solemnity of Easter EVERY DAY culminating on the Divine Mercy Sunday., April 12th. The Easter Octave gives us time to impress upon our souls the mysteries, joys and graces of the greatest feast of the Church. Each day of the Octave the liturgy dwells on the mysteries of the resurrection of Christ and our own resurrection through the sacrament of Baptism. Alleluia!

Christ is risen! He is risen indeed! The comprehension and joy of this amazing gift of Christ conquering sin and death by His death and resurrection cannot be confined to just one day. So, rejoice and give praise to God all week and for the next 50 days! This IS the day the Lord has made!

Prayer

Jesus, you died and rose from the dead so I can share your life on earth and in heaven. Thank you.

Mission for the Week

I will tell someone that Jesus is alive.

Sharing the Gospel

Mary Magdalene was surprised when she found the empty tomb of Jesus. She ran and told Peter and John that his body was gone. Peter and John ran to the tomb. They found no body, just strips of cloth. One piece was the cloth that covered the face of Jesus. Peter and John knew that Jesus was not in the grave, even though they did not understand what it meant to rise from the dead.

Now color the picture!

Circle the group in each row that has **more**. Then color in all the pictures.
