

FIRE TO THE NATIONS

A Picture of our medical team during our last outreach to the Mfou -Village

Over the past several months since returning to Cameroon, we have witnessed God move in powerful and tangible ways. Through two major medical outreaches held in surrounding villages and on our church campus, we were able to serve hundreds of people with dental care (including consultations and extractions), eye care, general medical treatment, and the distribution of free medication. Beyond meeting physical needs, we saw lives transformed as we prayed with many and led people to Christ. In addition, we hosted a life-changing marriage conference that brought healing, restoration, and renewed unity to families within our growing church community. As the church continues to expand, the Lord opened the door for us to secure a larger space near our former location. This step of faith required an upfront commitment of \$16,000 (approximately 10 months of rent), and we are currently renovating the facility in preparation to gather again as one unified and growing family.

As we continue to pour into the work here on the field, we are also navigating a personal challenge that we humbly bring before you. Providing education for our children has become increasingly difficult, as they are enrolled in an American missionary school to ensure stability and continuity in this season. We are trusting God to raise \$5,000 to cover their remaining school fees for the year. We have personally made sacrifices, including offering services at the school to reduce costs, but we cannot do this alone.

If you feel led to stand with us in this specific need, your support would mean so much—not only for our family, but for the sustainability of the mission God has entrusted to us. Thank you for your prayers, your generosity, and for being part of what God is doing here in Cameroon. Just send us an email or contact our mission organization below.

Please continue to keep us in your prayers.

From all of us—Denis, Arit, and the kids—we pray that God’s grace continue to be with you and your families as we continue to partner for His glory.

With love and gratitude,
Denis, Arit, and the Kids
