## Jan 3<sup>rd</sup> Christmas Bird Count Needs You!

We are still looking for volunteers to brave the elements and participate in our second annual Christmas Bird Count and Audubon's 126<sup>th</sup> Annual Count. We have several different locations you can help out at, including your own backyard! This is a great opportunity to be a part on the Nation's largest community science project alongside Cornell's School of Ornithology. If you would like more information, please reach out to Jana McFarland-janamcf@gmail.com or 918-314-1757. Or you can scan the QR Code and go directly to the sign-up page.
