

OILMAN'S ARCHERY SHOOTOUT

MAKING A DIFFERENCE WITH YOUR HELP!

Who We Are:

The Oilman's Shootout is a group of volunteers using a common love of archery and helping others to raise funds put toward charities both local and abroad. With 100% of it's proceeds the Oilman's Shootout has been able to donate over \$320,000 thus far; and we are looking to continue that trend in our giving for 2024.

We heavily rely on business and individual donations to make our event a success every year and make the shoot what it is.

Included are some options or areas that we need support and in turn can be good advertising for you and your business!

We work to make our event for all ages and skill levels. It creates a high traffic event seeing 600 archers with around one thousand five hundred attendees annually making us Canada's LARGEST archery event year over year.

THE GONG SHOW:

THE GONG SHOW is a popular novelty shoot we hold throughout the main event. It consists of 7 metal plates at a distance of 30-40 yards. The archer must use one arrow to shoot down through all 7 station. Each successful station awards the archer their name in a corresponding raffle. The prizes increase in value as the holes in the "GONGS" get smaller.

For \$2500 you would:

Receive title sponsorship of this event. This package would include your own event tent, a banner and table(s) in one of our highest traffic areas during the weekend.

TARGETS:

Annually, targets remain one of the biggest costs of hosting an archery shoot. For any donation of \$500, (product or cash) your business' name will be displayed at a target that year.

CHAMPION BUCKLES:

In our 4 premier classes we award the top shooters a custom silver and gold belt buckle from Olson Silver Company. These buckles are a costly but sought after prize. For \$500 per buckle your business name can be engraved on the inside of the buckle. (Sold Individually)

ALL NEW PEEWEE RANGE: (AGES 9 and Under)

A special place for our youngest shooters can go and shoot under parental supervision and hone their archery skills but not be expected to walk the over 3 miles of courses and shoot the 60 targets on main courses. Sponsor a target for \$250 and have your sign to be placed with 1 of 5 targets

RAFFLE TENTS:

The raffle tents end up being one of our more profitable attractions every year. We pride ourselves in giving away tens of thousands of dollars in prizes annually in our two raffle tents. Some of the prizes include outfitter wall tents, flagship bows, targets, hunting blinds, sights, releases, custom fire pits, and local business donations. All donations are welcome and appreciated. During giveaways, the donation sponsors name will be announced and business card given with item(s) if provided.

KIDS CORNER:

Fun for the whole family is our claim to fame. It separates us from many other archery events. Our kids corner includes face painters, bouncy castles and massive 10 yard log framed sandbox filled up daily with several hundred dollars in prizes for kids to dig for and keep. There are tents with picnic tables for shade for parents to sit and relax, or go check out the surrounding vendors in the area. For this event any monetary donations for the sandbox, bouncy castles or other activities will be accepted.

TITLE SPONSOR A COURSE:

The largest option available! We have three main courses of 20 targets each! For \$3500 we include large banners at the course entry and advertising throughout the loop. Score cards made custom advertising your brand on all score cards (roughly 3600 in total) A booth in the vendor area is included. throughout the shoot weekend. Keep Banners as a thank you. Free registration for 5 included should you decide to shoot the event.

We will do our best to bring all sponsorship/partnerships exposure on our social media pages and at the event itself. We believe in a community supporting each other. We thank you for your interest and look forward to hearing from you soon.
