It's the Pits Cookers supports the 4-H & FFA students of Fort Bend County and military veterans!

We especially strive to benefit at-risk youth, and those facing financial challenges, whose animal projects do not make the big sales.

Funds raised throughout the year enable **It's the Pits Cookers** to "purchase" these animals and provide scholarships.

In addition, we support the youth art auction, and we are now able, with your generosity, to help support the **exceptional** rodeo for special needs kids.

We strive to encourage youth to be involved in projects and reap the rewards of their labor. We believe the self-discipline involved provides invaluable lessons for them to have a successful future.

The 88th Annual Fort Bend County Fair Bar-B-Que Cook-off will be on September 18 & 19. Join us both evenings and be a part of a true Texas tradition.

It's the Pits Cookers supports wounded veterans who have put their lives on the line for us and for America.

One of our recipients in the past was US Vets in mid-town Houston which provided housing, training, and a multiplicity of services to veterans. Its goal, insofar as they are able, is to restore our veterans to productive status in society.

We are always looking for new avenues in which we can support our veterans. If there is a program or individual veteran in need, please reach out to one of our team members.

Will you consider joining the growing number of businesses and individuals whose partnership has enabled us to donate more than 1/2-million dollars to these causes! Increased participation enables us to grow the number of youth and veterans served. The need is always greater! It is our prayer that you will join us in making that difference!
