# THE BOYS IN THE BOAT

July 18 & 19, 2026  
Pastor T.K. Anderson

**"You Were Not Created to Row Alone"**

When ordinary people pull together around an extraordinary Savior,  
God can do more than we ever imagined.

## 1. God often begins great stories with overlooked people

Joe Rantz didn't look like a champion. He looked like a survivor. But struggle does not get the final word in your story.

My current struggle... \_\_\_\_\_

## 2. God uses ordinary steps to shape extraordinary things

Joe joined the rowing team to survive, but the boat became the place where he learned discipline, trust, humility, endurance, and purpose.

## 3. Unity matters because every person matters

One person out of rhythm affects the whole boat. That is true in a family, a marriage, a church, and a soul.

*"All of you together are Christ's body, and each of you is a part of it."*

1 Corinthians 12:27

## 4. You were not created to row alone

Isolation makes lies louder. God places us in a spiritual family so we can be strengthened, encouraged, challenged, and loved.

*"A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer."* Ecclesiastes 4:12

## 5. In the gospel, we belong because Jesus is gracious

In rowing, you get in the boat because you are strong enough. In the gospel, you get in the family because Jesus is gracious enough.

## 6. Don't stop rowing. Look to Jesus

The race is won through endurance, trust, and refusing to quit.

*"Let us run with endurance the race that is set before us, looking to Jesus..."*

Hebrews 12:1-2
