ORDINARY ANGELS

July 25 & 26, 2026
Pastor T.K. Anderson

"The God Who Rescues"

Jesus came on a rescue mission for broken, hurting, lost, and weary people.

1. We all need rescue

Ordinary Angels is a story of grief, addiction, loss, doubt, hope, healing, and miracles. Sharon tries to rescue others while discovering she needs rescue too.

Where do I need God's help today?

2. Jesus sees the person behind the pain

The woman in Mark 5 had been suffering for twelve years. Others saw her condition. Jesus saw His daughter.

"Daughter, your faith has made you well. Go in peace. Your suffering is over."
Mark 5:34

3. When faith feels fragile, God is still working

Jairus thought it was too late. But while he was waiting, Jesus was still working.

"Don't be afraid. Just have faith." Mark 5:36

4. Your story is not over

You may not see what God is doing behind the scenes, but His love is already moving toward you.

5. Jesus brings us from death to life

Michelle is rescued by ordinary people who went to extraordinary lengths. Jairus' daughter is raised by Jesus. And Jesus still rescues today.

"For the Son of Man came to seek and to save the lost." Luke 19:10

6. Faith is the first step, Baptism is the next step

Baptism is the outward picture of an inward decision. Jesus saves us, and baptism declares that we now belong to Him.

"Go therefore and make disciples of all nations, baptizing them..." Matthew 28:19
