

Supply List for 9 Patch Class

September 22 – Monday

10:30 till 3p.m.

Foot and power cord for machine.

Thread – I use a light gray as it blends into most fabrics. I prefer Aurafill for piecing.

Rotary Cutter and Mat

2 rulers – 8"by 8" and a 12" square

Pins – You want thin pins! Thick ones distort the fabric. I like Clover Silk pins myself.

Handi -Grip – This is a sandpaper like "gripper" you put on the back of your rulers to keep them from sliding.

Iron and wool pressing mat. If you do not have those there are irons in the classroom you can use.

Thread snip/scissors

Lunch

Fabric-

2 fat quarters that contrast with each other (A fat quarter is 18" by 20")

½ a yard for the first border

1 yard for the second border

All your supplies are available at A Different Touch. All class supplies get a 20% discount.
