

HOLIDAY COASTERS

SUPPLY LIST

Fabric:

- Four, 8 by 8-inch squares (bottom/ back and binding of coasters)
- Four 6 by 6-inch squares (front/ top of coasters)
- Four 6 by 6-inch squares of batting or fusible fleece

If using fusible fleece, fuse it to the top fabric before class!

Thread:

- One thread which contrasts with the front/ top fabric (same bobbin thread)

Presser foot:

- One open toe foot
- Favorite binding foot
- I used Bernina #37D for the entire project

The Bernina #37 and #37 D foot are on special, this month (October 2026).

Notions:

- Machine, cleaned and ready to go
- Straight pins
- Clips (plenty)
- Fabric marker which will show on the top/ front fabric

The following items would also be a good idea (bring what you have):

- Small cutting mat
- Rotary cutter
- Straight cutting ruler (12-inches long is fine)
- Small iron
- Small pressing mat
- Frixion pen is the ideal fabric marker
- Free hand system (knee lifter)
- 505 glue stick
