

BIGGGGG Bag Supply List

- Sewing Machine with zig zag capability
 - Thread snips
- Thread. This takes up a lot of thread, and your bobbin thread should match your top thread. Buy the larger thread spool if you can. Also variegated thread always looks great on these.
- Open toed foot or whatever foot you can clearly see the needle clearly with.
- Clover Fabric Tube Maker – this is different than their bias maker so make sure you buy the correct one.
 - Scissors
 - One jelly roll
 - One roll of 2 ½" (or 2 ¼") batting

Any questions please text 757-201-0929 and I will get back to you asap.
