

SUPPLIES:

Panel = 27" x 42" or larger.

Supporting Fabric : If you are going to make your panel like my underwater panel, you need a background fabric to applique your panel & other fabrics onto. Get 1 – 1 ¼ yards of background fabric. OR.....If you are appliqueing your fabrics directly onto a panel with a plain border around the panel, get ½ yard of fabric.

Applique frame fabric – ½ - ¾ yard.

Assorted fabrics, scraps or yardage, from which to cut your applique pieces.

TYPES OF APPLIQUE TECHNIQUES:

Featherweight fusible interfacing; Stitching raw edge – Mirror image stitch when need to be done in other direction Border sewn on & turned under **OR** create tubes and sew on outer edge of floating design fabric.
