

Supplies for Bucket Hat

½ yd fabric for outer hat

½ yd fabric for lining

¼ yd woven fusible interfacing for hat brim

thread of your choice for construction and topstitching

#1 or #34 foot for stitching seams

patchwork foot #37, or #97 for ¼" topstitching

#10 edgestitch foot

straight pins

scissors for cutting fabric

pinking shears if you have them, otherwise we will share

sewing machine with power cord and foot control (you won't believe how many people forget these)

Prep Work:

Download the pattern and instructions from [How to Make a Personalized Bucket Hat - WeAllSew](#)

Determine your size (or if you are making for a child, the size you want to make for your special little person) from the sizing chart and cut your fabric accordingly.

Show up for class with a smile and be prepared to have a fun time!
