## **Scott and Carole Berryman**

The Henry County Fair is very proud to be dedicating the 2025 Fair Book to a couple that not only supports the Fair and the youth involved in it but supports the whole community. This year we honor Scott and Carole Berryman.

Scott was born in Weakley County to George ("Jabo") and Jean Berryman. Along with his sister, Lisa Berryman Childers, the family moved to the Cottage Grove community in the late 1950s. Scott attended school in Cottage Grove, where he also played basketball.

Carole was born in Dyer County, Tennessee, to Jack and Martha Clark. Carole attended Finley School until her family bought a farm in Henry County and moved here in the mid-1960s with her brother, Larry Clark, and her sister, Anne Clark Coggins. After relocating, Carole attended Grove High School.

Scott and Carole were married on October 20, 1973. At the time, Scott was working at a feed mill in Cottage Grove, which he purchased and operated in the early 1970s. In the early 1980s, Scott and Carole started a candy sales business that they ran together. By the early 1990s, they entered a partnership with John Derksen, marking the beginning of Derksen Buildings and the Rent-To-Own Buildings business. Eventually, Scott bought out John's share and, together with Carole, continued to grow and expand the company into the successful business it is today.

Scott and Carole are proud parents of three children and six grandchildren:

*The Fair Board is proud to dedicate the 2025 Fair Book to Scott and Carole Berryman.*

John and Marie Berryman and their son Cole, Brian & Stacy Berryman and their children Jake and Ava of Brentwood, Carrie Anne Berryman & Marcel Rodriguez with their sons Lucas, Alec, and Julian of Nashville.

Throughout the years, Carole and Scott have been deeply involved in their children's lives. They participated in school events and were especially active in the local Saddle Club. Their weekends were often spent traveling to horse shows so their children could compete.

Scott and Carole have always been strong supporters of youth activities in the community. They remain active and are proud advocates of the Junior Livestock Program and the Country Ham Program.

**THE NOT SO NEWLYWED GAME**

Johnny Foust married Kay Odom July 25, 1969. They had two daughters, Cindy and Allison. Johnny worked 39 years at Midland Brake/ Setco. Kay worked 40 years at Commercial Bank and 5 years at Kayfoust scared treasures. Johnny was Treasurer at Springhill Baptist Church for 46 years and has been a deacon 47 years. Kay was organist for 45 years and a Sunday school teacher for 50 years. They live in the Vandyke community and have 7 grandchildren and 7 great grandchildren.

Don and Carol Norwood were married Nov 27, 1969. Don is a graduate of UT Martin and Carol graduated High School in 1969. They have been successful in the agriculture community in HC and have raised a wonderful family, two boys and 4 grandchildren.

Billy is a life-long resident of Henry County and DeAnna, originally from Florida, moved here in 2007. They met in 2012 on a blind date set up by mutual friends at TVCC and have been married since 2017. Billy owns and runs Uncle Billy's Downtown Eatery and DeAnna is an Account Manager for Derksen Portable Buildings. They have 3 children; Sterling (Natalie), Alexis (John Colt) and Madison.

Tucker & Nisha have been together for 9 years & married for 7. They have one son, Kash, who is 5 and their pride & joy. They live on a farm in Puryear where they raise commercial beef cattle and quarter horses. Tucker & Nisha met through rodeo where they both still compete and enjoy travelling to rodeos & competitions with Kash throughout each year. Tucker is an auctioneer, real estate agent with TN Real Estate Company, and also a Lieutenant for the City of Paris Fire Department. Nisha is a business administration major who got her start in her family's Henry County business, Middleton Lumber Company, LLC. She later became a RN and enjoyed years working as a surgical nurse. Along with her duties in their own auction business, she also currently performs as a bookkeeper and dispatcher for Reid's, LLC's portable building hauling company. They enjoy spending time together with their family, friends, & animals, serving where they can in the community, and conducting auctions across Tennessee & surrounding states.

Lance and Leslie Pierce have been married since June 26, 2021. They have 2 children, Lindsey Dunlap, who is married to Logan Dunlap and Callie Pierce all who live in Paris. Lance and Leslie make their home in Buchanan and have one dog, Annabelle, and 2 cats, Emmy and C.C. Lance and Leslie first met back in 1985 while riding the school bus. Lance, who is two years younger than Leslie, noticed the brunette beauty immediately once she boarded the school bus. Unfortunately for Lance, Leslie's mind was on more important things like figuring out how to find another way to school. She did not want to ride the school bus let alone have any interest in an 8th grader. After all, as a sophomore in high school, Leslie had more interest in the boys who could drive her to school in a nice car and not on his bicycle. Fast forward 32 years later and a chance meeting between the two led to the love affair that has blossomed into what it has become today. Who says you can't have your dream girl? For Lance, his dream of being with Leslie has come true. Good things indeed come to those who wait.

These couples look forward to seeing you all at this year's fair!

# COUNTRY HAM EDUCATIONAL PROJECT AND AUCTION

**AUCTION - SATURDAY, AUGUST 16TH - 1:00 P.M.**

## RULES

1. A contract must be completed and signed.
2. A \$70.00 fee is required from participants. Fees will be used to purchase two USDA approved hams from a packing house at market price (approx. \$35.00). The remaining fees will be used for prizes issued at the Henry County Fair.
3. Clifty Farm, in cooperation with Fair Board members, U.T. Extension 4-H agents and FFA advisors will teach you how to cure your two country hams at your meetings. There will be a lot of hands-on experience gained by all participants. One ham will be entered in the Henry County Fair Ham Contest. Participants will get to keep the other ham. The Ham Awards will be presented to the Champion and Reserve Champion ham in three divisions: Junior, Junior High and Senior High. A Grand Champion Ham will be chosen from the division champions. Scoring will combine the scores from the ham contest, speech contest, and record book. Each participant's contest ham will be sold at auction at the Fair. Participants will keep the auction dollars raised at the fair.
4. Participants may cure their hams at the Clifty Farm Ham House, or they may home cure their hams.
5. Participants must attend 3 of 5 planned meetings.
6. Participants must present a three to five minute speech.
7. A Country Ham processing record book must be submitted at the speech contest.
8. Meetings will be held at the Clifty Farm Ham House at 1500 Highway 641 South.
9. This program is open to 4-H and FFA members who do not have an animal in the livestock projects (steers, lambs, hogs, goats) at the fair.
10. Participants who fail to complete all provisions of this project will forfeit both hams and the entry fees.
