Rise and Fall of October

October 2026

Psa 97:12 Rejoice in the LORD, ye righteous; and give thanks at the remembrance of his holiness.

Dear Friends and Co-Laborers, fall is finally here and we're beginning to feel the relief from the summer heat; it may seem like a normal thing and we don't give it much thought, but it is a promise of God that's fulfilled every year, even every day. **Gen 8:22** While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease. Just another reminder of how good God is to us!

We are back here in Arkansas now and have officially moved on to Paragould to Bible Baptist Church with Pastor, Stacy Prater. Several months ago we were here for just a few weeks roughing in the slab for their new Church building. Now we've returned to continue that work above the slab, installing the plumbing along with many other aspects of the building.

Though it's not a large building, there is a great many things to do before we were ready for Sheetrock. All the sewer and water had to be roughed in for two gang bathrooms, two classroom sinks, a mop sink and a kitchen area, along with roughing in three areas for water heaters.

Sounds like a lot, but this was just for the plumbing. Since the GC is a volunteer as well all the work he does is part of our work too!, So we got to install all the blocking for the partitions, doors, sinks, monitors, display screens, platform area, sound booth area, and all the classroom billboards and display boards. Along with decking, the hallway mezzanine area to provide access for the air-conditioning units and the new water heaters. God is good to us though and the work has been moving along smoothly. Insomuch that we even got to take a week off and go to the FOA conference at Wilson Creek Baptist Church.

The Focus on America conference (FOA) is held at Wilson Creek once a year to raise money for missionaries planting churches all across America, this year we had approximately 25 missionaries come in and over $70,000 raised for the work! Praise the Lord for his wonderful grace!

On a more personal note, it took a little longer for my wife to finish up all the details of her father's funeral. But she has now rejoined the work here in Paragould, and I'm thankful for her return. Please continue to keep her in your prayers as she's still having difficulties with the loss of her dad. We would also ask you to pray for her mom as she to is having difficulty adjusting to life without her husband in an empty house. We serve a great God! and he is able to bring comfort and guidance to every path in our lives. Thank you for your continued prayer, and support.
